United States Board on Geographic Names,1992 Created one hundred years ago the Board has functioned to provide standardized spellings of geographic names to meet official U S requirements It is the oldest body of its kind in the world Without an independent budget its programs reflected overall budgetary restrictions that affected its support agencies Immediately prior to the Second World War for example the Board worked at a relatively slow pace With the onset of that conflict however the Board s staff was greatly enlarged to provide names for new maps and charts needed by the U S armed services In 1947 the Board was reorganized by Public Law 242 of the 80th Congress and given explicit missions to meet new requirements the nation had for geographic names on a global basis Since that time and in the present era of new nations and changed names the Board has functioned as the world s foremost body of experts dealing with geographic names page 1

Report of the United States Board on Geographic Names United States Board on Geographic Names,1892

Introduction to a Survey of Missouri Place-names Robert Lee Ramsay,Allen Walker Read,Esther Gladys Leach,1934

The present volume is intended as an interim report of the study of Missouri place names which has been carried on by students in the English department of the Graduate School of the University of Missouri for the past six years. An account of the inception and progress of the undertaking is given first. This is followed by a copy of the detailed directions which are put in the hands of our workers. Next are given some specimens of Missouri names that present problems of peculiar interest and difficulty. Then comes a general bibliography of our library sources compiled by Mr. Allen Walker Read. Finally, as a specimen of the actual work accomplished, Pike County Preface.
