Organization Development Ideas And Issues

Yves Berthelot

Organization Development Ideas And Issues:

Organization Development Robert Golembiewski, 2008 Organization Development provides a forum for the ideas and experiences of a researcher and consultant concerned with change in organizations It shows how choice and change can be guided in a world now characterized by what the author terms permanent temporariness The book is at heart an approach to increasing the amount of responsible freedom at work In this respect the volume responds to an avalanche of social criticism that has been directed at bureaucracy organizational America and the organizational ethic The field at organization development is informed by such criticisms but transcends it via technology and values that drive change and choice alike

Provided by publisher **Organization Development** Robert T. Golembiewski, 1989-01-01 Presents a forum for the ideas and experiences of a researcher and consultant concerned with change in organizations This volume responds to an avalanche of social criticism that has been directed at bureaucracy organizational America and the organizational ethic It gives you a hands on view of the history and character of this field *Creative Organization Development through*

Leadership Osman Titrek, Carlos Francisco De Sousa Reis, Gozde Sezen-Gultekin, Pablo García Sempere, Pãvels Jurs, 2025-10-30 Please note that all spontaneous submissions are required to submit a Manuscript Summary and await feedback before submitting the full manuscript any spontaneous submissions that only submit a full manuscript will be rejected Creativity is developed by guiding rather than being taught For this environments that allow creativity rich and diverse experiences should be designed and affect lots of different issues in the organization To build and sustain an organizational culture dominated by creativity and innovation organizations must effectively identify and mobilize the creative resources of their members When organizational members perceive a work environment that restricts or fails to encourage individual creative expression a gap may exist between the level of individual creative potential and the actual amount of individual creativity practiced within the organization Leadership development may represent one important key for unlocking this idle creative potential and enhancing overall organizational effectiveness So organizations should focus on leadership to develop creativity via all dimensions that affect organizational culture at all levels of the organization To achieve this reshaping organizational psychology and culture accordingly can be stated as one of the main missions of organizational leadership Recent studies prove that creativity is necessary for both individual and organizational levels and for achieving these levels together leadership is crucial for organizations This special issue aims to collect studies on how to develop creative organizations through leadership To focus on this special topic the following sub topics may be studied in detail Based on this main objective this special issue will also reveal the effects of creative organizational culture which is one of the most fundamental issues in terms of organizational psychology and the factors affecting this culture in detail In addition this special issue aims to reveal how creative organizational culture is changing organizational behavior and psychology as well as organizational structure in today s rapidly changing world Moreover the creative organizational leaders

who will produce this change their characteristics and the new skills they need to acquire can be stated as another important purpose of this special issue This special issue aims to collect studies on how to develop creative organizations through leadership For this aim the issue seeks for the following sub topics 1 Emotional drivers of creativity 2 The relationship between creativity intelligence and brain function 3 Biological dimensions of creativity 4 Factors affecting creativity 5 The importance of creativity in organization development 6 How can a creative organizational culture be developed 7 The relationship between creativity sustainability and entrepreneurship 8 Creative leadership and its role in organization development 9 How can creativity be developed in organizations 10 The role and functions of creativity in selecting and developing human resources 11 New leadership theories for creative organizations 12 Innovation inclusion creativity and leadership 13 Digital technologies for creative leadership 14 Autonomous systems for organizational creativity and development 15 Leadership models and organizational culture and climate

Organization Development Gary McLean, 2005-12-02 Designed for use in undergraduate and graduate programs in organization development management human resource development and industrial and organizational psychology *Organization Development* provides readers with an overview of the field and acquaints them with the basic principles practices values and skills of OD Covering every aspect of the work of an OD professional and featuring numerous illustrative case studies it shows how OD professionals actually get work and what the first steps in any OD effort should be Author Gary McLean surveys different ways to assess an organizational situation including a comparison of the Action Research and Appreciative Inquiry models and provides forms for devising an action plan based on that assessment He then looks at how to choose and implement a range of interventions at different levels as well as how to evaluate the results of an intervention *Organization Development* goes beyond the organizational level to look at the application of OD on community national regional and global levels And it successfully combines theory and practice process and outcomes performance and affective results effectiveness and efficiency

Practicing Organization Development William J. Rothwell, Roland L.
