Impact Keith V. Lucas, 2025-08-19 Impact explores the people and culture teams need for sustained innovation and problem solving. This transformative guide is aimed at leaders who have earned their roles through subject matter expertise a capacity for impact and innate leadership skills and who now face the challenge of building innovative teams. This is the high impact engineer turned manager or the rising scientist turned lab director or the founding startup executive. Subject matter proficiency and leadership intuition can initially take leaders far but team performance ultimately hits a wall when leaders lack team building expertise. Impact guides individuals across the leadership spectrum from the new player coach to the seasoned team builder helping them sidestep common scaling pitfalls such as diminished team impact lower productivity culture dilution disempowerment and loss of focus. It presents a two tiered framework that examines culture as a system and leadership as a discipline. The first tier offers team wide practices to drive focus cultivate alignment and unlock collective brainpower and horsepower. The second tier provides individual centered practices to ensure the team hires promotes and retains those most likely to contribute to the mission. Drawing from Keith V Lucas's direct experience in building teams and advising startups, Impact offers practical insights for effective team building and leadership.

Leadership in the Metaverse Carol A. Poore, Ph.D., 2023-02-21. Are you ready for the metaverse and what it will take to be an effective human leader in multiple immersive digital physical worlds? Leadership in the Metaverse will help you transform Web3, also called WebMe, into WebWe. The metaverse, a more immersive internet, is evolving rapidly. Leadership in the Metaverse shares a new playbook to help you develop essential leadership skills needed to bridge our forever hybrid digital physical human life on planet Earth and build cohesive communities of strategy and impact. While the metaverse is being described as Web3 and WebMe, Dr. Carol A. Poore addresses head-on both metaverse innovation and expected societal challenges. She provides deep insight about leadership, participative strategy, and community building, and essential communication skills so you can be prepared to lead in a metaverse world where virtual reality, 3D holograms, and human avatars will fascinate, captivate, and permanently change the way we live, work, and play. Leadership in the Metaverse will help you Maximize the metaverse as a human relationship building tool. Bring people and communities closer together rather than further apart. Bond, bridge, and link hybrid worlds to build cohesive teams, work groups, organizations, boards of directors, and communities. Communicate effectively, connecting people with your organization's purpose and future. Build Big C communities that lead to action and results that matter. Dr. Carol A. Poore, author, speaker, and strategist, has been delivering effective leadership and transformational strategic planning results for more than 25 years. She has served in corporate, higher education, and nonprofit senior leadership and chief executive positions, led community planning initiatives, and has advised small businesses, nonprofits, local community organizations, and government entities during legacy shaping times of change through her consultancy, Poore Associates. She serves on the faculty at Arizona State University. Dr. Poore is the author of *Strategic Impact: A Leader's Three Step Framework for the Customized Vital Strategic Plan*, *Fast Company* Press, and *Building Your Career Portfolio*, Cengage Learning, published in English, German, and Korean.
