**Tips from the Top** Edie Milligan, 2002-12 The first book to consolidate advice from a wide range of the country's top practicing personal finance experts into one comprehensive and insightful money guide Rather than getting one celebrity financial journalist's advice on everything from mortgages to mutual funds readers will get targeted advice from the top specialist in all areas of personal finance advice that has actually proven to work over time Tips From the Top Targeted Advice From America's Top Money Minds will be the first comprehensive money book to provide

readers with hidden gems of financial advice from a panel of the country's top practicing experts in all areas of personal finance. Instead of readers getting Suze Orman's advice on everything from kids and money to long term care insurance, readers will get tax advice from the country's top tax attorneys, tax accountants, investment advice from the leading investment advisors, insurance advice from the top insurance specialists, and so on. The advice readers get will not belabor the same old advice rehashed in countless other finance books but rather will provide readers with those valuable bits of wisdom that practicing experts have found to be useful to their clients over the years. The book will cover every topic related to money about which families and individuals need guidance. Experts will be identified by their professional standing within the organizations that issue their credentials, certifications, and licenses.
