**The AI Marketing Canvas** Raj Venkatesan, Jim Lecinski, 2021-05-18 This book offers a direct actionable plan CMOs can use to map out initiatives that are properly sequenced and designed for success regardless of where their marketing organization is in the process The authors pose the following critical questions to marketers 1 How should modern marketers be thinking about artificial intelligence and machine learning and 2 How should marketers be developing a strategy and plan to implement AI into their marketing toolkit The opening chapters provide marketing leaders with an overview of what exactly AI is and how is it different than traditional computer science approaches Venkatesan and Lecinski then propose a best practice five stage framework for implementing what they term the AI Marketing Canvas Their approach is based on research and interviews they conducted with leading marketers and offers many tangible examples of what brands are doing at each stage of the AI Marketing Canvas By way of guidance Venkatesan and Lecinski provide examples of brands including Google Lyft Ancestry com and Coca Cola that have successfully woven AI into their marketing strategies The book concludes with a discussion of important implications for marketing leaders for your team and culture

**Synthetic Cinema** Wheeler Winston Dixon, 2019-02-05 In this book Wheeler Winston Dixon argues that 21st century mainstream filmmaking is increasingly and troublingly dominated by synthetic cinema He details how movies over the last two decades have fundamentally abandoned traditional filmmaking values through the overwhelming use of computer generated imagery digital touch ups for the actors and extensive use of green screen technology that replace sets and location shooting Combined with the shift to digital cinematography as well as the rise of comic book and franchise cinema the temptation to augment movies with lavish computer generated spectacle has proven irresistible to both directors and audiences to the point that Dixon argues 21st century commercial cinema is so far removed from the real world that it has created a new era of flawless fake movies

**Ethics and Hidden Greed** Rob Docters, Hans Gieskes, 2023-05-24 Trust Loyalty Friendship These were once the building blocks of good business relationships Today it s becoming increasingly difficult to know whom to trust The authors demonstrate how to recognize the patterns employed by greedy players and provide tactics for combatting all of them
