abstract In this paper it should be examined in which ways the difference in creating a social system by the state can be  
connected to cultural values which shape the political culture of the respective country Of course there are many other  
components which influence the development of social security in the United States like industrialization or economic growth  
In the media one gets the impression that individualism is responsible for the unusual kind from a German point of view of  
social policy in the United States Murswieck 1988 8 Also David McKay emphasizes the fact that nothing more accurately  
seems to represent Americanism than a stress on individual rather than collective action 2001 11 But is individualism the
