PRACTICAL MONEY ADVICE FOR YOUNG MEN 2.0 Malik McCotter-Jordan,2021-12-25 I m not suggesting that you fire your boss i e quit your job In fact I advise you to keep your job in this book I have a job That s called having more than one stream of income and I talk about that in this book This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest him shamelessly promoting financial firms that he has an ownership stake in and saving 10% to 20% of your income This is a raw and real book written by a guy who is only a few steps ahead of you That s it I m not a guru This is not a scam I put my heart and soul into making this I wrote this book as if it was for the 18 year old me Anyone who leaves a review saying that this book lacks realistic actionable advice is just plain wrong I even did what most of these personal finance authors don t have the guts to do I talk about my personal life and the mistakes I made that cost me thousands of dollars That s why this genre is called personal finance right I get really personal Some might say it s too personal If you re a young man who is tired of being broke living paycheck to paycheck not owning any assets being clueless about taxes and not being able to get ahead in the United States then this is the book for you I started off as a poor black boy in a small town in Alabama on section 8 I currently have a 6 figure net worth If I can do it you can too Buy this book today

**Expense Saving Ideas** National Retail Merchants Association. Controllers' Congress,1960      **Better Money** Lawrence H. White,2023-03-23 The recent rise of dollar pound and euro inflation rates has rekindled the debate over potential alternative monies particularly gold and Bitcoin Though Bitcoin has been much discussed in recent years a basic understanding of how it and gold would work as monetary standards is rare Accessibly written by a pioneering economist Better Money explains and evaluates gold fiat and Bitcoin standards without hype White uses simple supply and demand analysis to explain how these standards work evaluating their relative merits and explaining their response to shocks allowing for informed comparisons between them This book addresses common misunderstandings of the gold standard and Bitcoin using historical evidence to review the history of money with emphasis on the contest between market and government provision Known for his work on alternative monetary institutions White offers a reasoned discussion of which standard is most likely to provide a better money      The Challenges of the Digital Transformation in Education Michael E.
