If readers decide to use the platform or already use it and want to learn more each chapter guides users through a how to of using each platform. This includes the basic functionality setting up profiles, settings and odd features that even current users may not know about. Privacy and safety are also covered with a platform specific section devoted to these important issues in each chapter. Two final chapters cover other notable social media platforms that readers might want to know about and archiving tips for saving social media posts and information.
