*Yoga & Naturopathy* Dr. Suresh Kumar Agarwal, Dr. Richa Mahajan (PT),Dr. Arup Das ,Dr. Kanika Sethi, Yoga is an ancient art form that focuses on developing the mind body and spirit in harmony with one another An austere Hindu practice comprising regulated breathing certain postures and meditation that aims to bring the practitioner to a higher mental emotional or physical condition It s understandable and inevitable that you re feeling overwhelmed by the pressures of modern life And every day that goes by you try to figure out how to get over this A new way of living is emerging as a result of yoga s resurgence Everyone has the right to a healthy life However personal societal and ecological contexts all have a role in the exercise of this freedom We may improve our immune system and our sense of self so that we are less affected by other illnesses and can attain excellent health in addition to the role that

environmental or social variables play The idea of health is optimistic Being in good health involves more than just the absence of illness it also involves a state of mind that is both upbeat and active as well as a level of general tolerance and the ability to quickly establish immunity against particular offenders Yoga is a very effective non pharmaceutical therapeutic method There are various scientific explanations and presentations of its unique idea of health and wellbeing As a way of life yoga may help us stay physically and mentally fit If yoga were taught in schools it may help students develop lifelong healthy routines and attitudes
