The Guinness Book of Olympics Stan Greenberg,1983 Provides information on the Olympic competitions and medal winners in swimming ice hockey boxing speed skating gymnastics and other sports

The Guinness Book of Olympic Facts and Feats Stan Greenberg,1996 With a full results history of each Olympic sport from athletics to yachting including every medal winner in the history of the games this book takes a look at the ancient games and future celebrations such as Sydney 2000

FIRSTS, FACTS, FEATS, & FAILURES IN THE WORLD OF GOLF Ken Janke,2006-12-15 For the golf enthusiast who has heard it allFirsts Facts Feats and Failures in the World of Golf offers a refreshingly hilarious and enlightening compilation of stories from Ken Janke one of golf s most colorful historians From the early days of the game to today s golf legends this book includes the greats and almost greats the winners and losers the true and not so true

The Complete Olympic Games Quiz Book Martin Greensill,2012-08-20 Containing 1700 questions on many aspects of both the Summer and Winter Olympics

The Complete Olympic Games Quiz Book provides a comprehensive resource that can be used in various ways such as testing family and friends or forming the basis of a more formal quiz The book covers the entire history of the modern Olympics from Athens 1896 to London 2012 and includes questions on all the sports that have featured at these Games There are also two multiple choice sections on numbers and two chapters of mixed bag questions which among other things bring out the quirky side of the Olympics through a variety of trivia teasers Including over 150 questions on London 2012 the book builds into a challenging but stimulating test of sporting knowledge and should provide hours of entertainment for fans of quizzes and the Olympics

The 1904 Olympic Games Bill Mallon,2015-07-11 The 1904 Olympic Games in St Louis were both unusual and controversial One of the major problems for Olympic scholars has been to determine which of the events at these Games were truly of Olympic caliber The Games were included as part of the World s Fair and every athletic contest that took place under the Fair s auspices was deemed Olympic These activities included croquet and water polo high school and college championships in football and basketball as well as the Anthropology Days events in which members of primitive tribes competed against one another The author demonstrates after great deliberation that 16 events of the 21 overall were truly Olympic sports and gives descriptions scores and analyses for each as well as for the five non Olympic events

Appendices include literature relating to these games lists of noncompeting foreign entrants and a guide to all competitors

The 1920 Olympic Games Bill Mallon,Anthony Th. Bijkerk,2015-07-11 Until this volume was compiled the results of the 1920 Olympics held in Antwerp Belgium have been far from complete The Antwerp organizing committee typed up a report of the results almost as an afterthought because it was so financially strapped after the games For some events only the medalists are listed with little if any additional information Very few copies were ever produced and those few copies were in French The seventh in a series on the early Olympics this work fills a gap in the recording of early Olympics history by providing complete results for all competitors and all events except for shooting which has only partial information available

In virtually all cases a 1920 source has been used in preference to a more modern source of information and all details have been fully researched in contemporary newspapers journals and magazines and checked for accuracy by experts on various sports from all over the world **Guinness Book of Records** ,1983 *The Olympic Legends* 3M Europe,1988 Track & Field Quarterly Review ,1984 **Olympic Black Women** Martha Ward Plowden,1996 Offers brief biographies of African American women who have won Olympic medals highlighting their accomplishments and listing each award won

Historical Dictionary of the Olympic Movement Bill Mallon,Jeroen Heijmans,2011-08-11 The fourth edition of the Historical Dictionary of the Olympic Movement presents a comprehensive history of the games from the first recorded history of the games in 776 B C to the present day This is done through a chronology forewords by Dan Jansen and Mike Krzyzewski an introductory essay appendixes a bibliography photos and over 900 cross referenced dictionary entries covering the history philosophy and politics of the Olympics and of course the medal winners This book is an excellent access point for students researchers and anyone wanting to know more about the Olympics **The A to Z of the Olympic Movement** Bill Mallon,Ian Buchanan,2007 The Olympic Games bring together thousands of athletes competing in over 40 sports and representing over 200 nations But that is just the surface for none of this would be possible without the constant efforts of an incredible organization consisting of tens of thousands of sports lovers united in sports associations National Olympic Committees and the International Olympic Committee The A to Z of the Olympic Movement deals with both levels of the competition the competitive side and the administrative side This is accomplished through a bibliography two chronologies one tracing the history of the Ancient Olympiad and the other tracing the Modern Games appendixes providing facts on the Games the officials the torchbearers and the top Olympic medal winners and hundreds of cross referenced dictionary entries on the major sports more outstanding athletes participating countries and numerous bodies in the organization as well as successive generations of officials starting with the founder Pierre de Coubertin **Historical Dictionary of the Olympic Movement** Ian Buchanan,Bill Mallon,2005-11-15 The Olympic Games brings together thousands of athletes competing in over 40 sports and representing over 200 nations But that is just the surface for none of this would be possible without the constant efforts of an incredible organization consisting of tens of thousands of sports lovers united in sports associations National Olympic Committees and the International Olympic Committee The third edition of this fascinating book deals with both levels of the competition the competitive side and the administrative side The dictionary includes hundreds of entries on the major sports more outstanding athletes participating countries and numerous bodies in the organization as well as successive generations of officials starting with the founder Pierre de Coubertin But that is not all Two chronologies trace the history of the Olympic movement back to the Ancient Olympiad first celebrated in Greece in 776 B C as well as all of the modern Games up to Athens in 2004 The appendixes then provide elusive facts on the Games the officials the torchbearers and the top Olympic medal winners A bibliography is included to allow further research Reviews of the Previous Edition

Buchanan and Mallon provide comprehensive clearly written and well organized historical information about the Olympic movement Highly recommended Choice most useful for quick lookups and is the only one to have most information on individual athletes Reference Books Bulletin **The Official Olympic Games Companion** British Olympic Association,1998 Guinness Book of Olympic Records Stan Greenberg,Norris McWhirter,1991 This publication relates the general history of the Olympic Games and provides the roll of Olympic medal winners from 1896 to 1988 in the 25 Summer sports on the Olympic programme of the Barcelona 1992 Olympic Games as well as the roll of Olympic medal winners in the Winter events since 1908 The 1896 Olympic Games Bill Mallon,Ture Widlund,1998 The first in a series of reference works giving the results of Olympic Games beginning in 1896 Compiles information on sites dates events competitors and nations as well as event results in sections on each sport with comments Includes a short synopsis of the Sorbonne Congress and newspaper and magazine articles written at the time of the 1896 Olympic Games Annotation copyrighted by Book News Inc Portland OR **Olympic Trends** A. B. Johnson,Melinda Johnson,1991 **The Olympic Record Book** Bill Mallon,1988

The 1948 Olympics Bob Phillips,2007 The 1948 Olympics were the first of the post war era Britain was still suffering the after effects of the war rationing still in operation bomb sites remained throughout London and other major cities Yet London took on the Games and staged them very successfully There was no election of London as the chosen venue the IOC decided on London without any vote This book tells how the Games were managed and their economic political and social significance including first hand recollections of many of the competitors and of the press correspondents *Book Review Index* Gary C. Tarbert,Barbara Beach,1985-04
