On Body And Soul Contemporary Armor To Amulets:

On Body and Soul Suzanne Ramljak, 2014 From the beginning of time armor and amulets have been used for protection and are found in cultures across the globe and those who crafted them have been esteemed as artists by their communities The contemporary examples showcased here in 200 eye catching images demonstrate the enduring artistry of the forms and the crucial role such objects can play in safeguarding body and soul especially in our current Age of Terror An exciting array of protective hardware armor barriers wearable weaponry and protective software charms amulets talismans reveal a broad range of strategies for human defense Focusing on work from the twenty first century this captivating book features some of today s finest artists and metalsmiths and testifies to the continued relevance of this creative pursuit An introductory essay charts the wider cultural terrain of protective ornament touching on issues of history anthropology and psychology while portfolio sections spotlight subsets of defensive and offensive wear Among the works of art are helmets elaborate knuckledusters pendants collars rings bracelets metal jackets and chain mail all designed for safety

Flying Out of Body: Ancient and Modern Teachings on Soul Travel, Spirit Realms, and the Light Body Laing Z. Matthews, 2026-01-01 Flying Out of Body is not just a manual on astral projection It is a complete transformation of how we understand spiritual flight soul anatomy and luminous presence in the world Written by Laing Z Matthews author of The Spirit Heals The Breath of Time and Healer of Heaven and Earth this groundbreaking book pierces through the noise of pop spirituality and fantasy driven projection offering instead a clear precise and ethically grounded path to real spirit departure Rooted in the Daoist distinction between Yin Shen dissociative shadow driven projection and Yang Shen luminous cultivated soul flight this is the first comprehensive guide to explore out of body experience as a sacred discipline not a thrill escape or ego game Across six sweeping Parts and 30 chapters Matthews integrates ancient teachings clinical cases historical records and meditative practices from Daoist Yogic Hermetic Kabbalistic and shamanic sources This is not a book of superstition it is a map of awakening You will discover The anatomy of the soul in Daoist and cross cultural traditions Why trauma fragmentation and spiritual bypass produce chaotic or dangerous projection How to distinguish between Yin Shen exits depletion illusion possession and Yang Shen travel clarity light sovereignty Sealing and anchoring methods for safe departure Breathwork visualization dream exit and internal stillness techniques The dangers of premature flight and how to recognize false light How to return whole integrate the experience and walk in the world as a vessel of the Dao With sections on spirit possession karmic traps false ascension and how to rebuild the soul after disordered exit this book is not only for practitioners of out of body travel but for anyone seeking to understand the nature of consciousness the risks of spiritual power and the sacred task of embodiment after transcendence Matthews doesn t just teach you how to leave He shows you how to come back luminous and live from what you touched From the opening line Leaving the body isn t enough Leaving it clearly with light intact changes everything to the final reflection One exit was enough Because now you are a portal not a passenger this book

invites you to something deeper than flight the transmission of light through your life Whether you are a seasoned practitioner of astral projection a seeker drawn to mystical states or someone recovering from spiritual fragmentation Flying Out of Body offers a sacred mirror not to escape this world but to walk through it as the spirit you truly are *Craft is Political* D Wood,2023-02-09 Throughout the 21st century various craft practices have drawn the attention of academics and the general public in the West In *Craft is Political* D Wood has gathered a collection of essays to argue that this attention is a direct response to and critique of the particular economic social and technological contexts in which we live Just as John Ruskin and William Morris viewed craft and its ethos in the 1800s as a kind of political opposition to the Industrial Revolution Wood and her authors contend that current craft activities are politically saturated when perspectives from the Global South Indigenous ideology and even Western government policy are examined *Craft is Political* argues that a holistic perspective on craft in light of colonialism post colonialism critical race theory and globalization is overdue A great diversity of case studies is included from craft and design in Turkey and craft markets in New Zealand to Indigenous practitioners in Taiwan and Finnish craft education *Craft is Political* brings together authors from a variety of disciplines and nations to consider politicized craft *Binding Words* Don C. Skemer,2010-11-01 In the Middle Ages textual amulets short texts written on parchment or paper and worn on the body were thought to protect the bearer against enemies to heal afflictions caused by demonic invasions and to bring the wearer good fortune In *Binding Words* Don C Skemer provides the first book length study of this once common means of harnessing the magical power of words Textual amulets were a unique source of empowerment promising the believer safe passage through a precarious world by means of an ever changing mix of scriptural quotations divine names common prayers and liturgical formulas Although theologians and canon lawyers frequently derided textual amulets as ignorant superstition many literate clergy played a central role in producing and disseminating them The texts were in turn embraced by a broad cross section of Western Europe Saints and parish priests physicians and village healers landowners and peasants alike believed in their efficacy Skemer offers careful analysis of several dozen surviving textual amulets along with other contemporary medieval source materials In the process *Binding Words* enriches our understanding of popular religion and magic in everyday medieval life **The Adorned Body** Nicholas Carter,Stephen Houston,Franco Rossi,2020-08-04 *The Adorned Body* is the first truly comprehensive book on what the ancient Maya wore a systematic survey of dress and ornaments from head to toe and everything in between Visions ,1990 Travel, Time, and Space in the Middle Ages and Early Modern Time Albrecht Classen,2018-10-22 Research on medieval and early modern travel literature has made great progress which now allows us to take the next step and to analyze the correlations between the individual and space throughout time which contributed essentially to identity formation in many different settings The contributors to this volume engage with a variety of pre modern texts images and other documents related to travel and the individual s self orientation in foreign lands and make an effort to determine the concept of identity

within a spatial framework often determined by the meeting of various cultures Moreover objects images and words can also travel and connect people from different worlds through books The volume thus brings together new scholarship focused on the interrelationship of travel space time and individuality which also includes of course women s movement through the larger world whether in concrete terms or through proxy travel via readings Travel here is also examined with respect to craftsmen s activities at various sites artists employment for many different projects all over Europe and elsewhere and in terms of metaphysical experiences catabasis *The Practitioners Library of Medicine and Surgery ...* George Blumer,1932
