Bishop Of Lyon Saint Irenaeus

On The Apostolic Preaching:

On the Apostolic Preaching Saint Irenaeus (Bishop of Lyon.), 1997 St Irenaeus is the most important theologian of the second century laying the foundation for all future Christian thinkers Irenaeus tells us that he had known Polycarp who had himself known the apostles and been appointed by them as the bishop of the church of Smyrna This direct contact with the immediate successors of the apostles was of importance for Irenaeus in his later defense of Christian practice and teaching In this work *Against the Heresies* he was the first to utilize the full range of apostolic writings in his controversy with the Gnostics and others Uniting for the first time the whole history of God's activity in one all encompassing divine economy Irenaeus demonstrates that there is but one God who has made Himself known through His one Son Jesus Christ by the one Holy Spirit to the one human race bringing His creatures made from mud into the intimacy of communion with Himself

Irenaeus's Demonstration of the Apostolic Preaching Iain M. MacKenzie, 2017-11-22 This title was first published in 2002 The theology of Irenaeus and the *Demonstration of the Apostolic Preaching* in particular is pivotal in showing the way in which the fathers of the church interpreted scripture and distilled doctrine The *Demonstration* is an important hinge showing how the doctrine of the fourth century with its definitive councils and definitions of faith opens out from the new testament apostolic and evangelical witness Presenting the full translation of the *Demonstration of Irenaeus* by Dean Armitage Robinson this book offers a detailed theological commentary by Canon Iain MacKenzie on this foundational doctrinal text MacKenzie sets out the main theological themes throughout Irenaeus work and explores his method of systematic theology Athanasius's dependence on Irenaeus and Irenaeus influence on doctrine in the fourth century particularly the works of Athanasius Basil of Caesarea Gregory of Nazianzus and Gregory of Nyssa Highlighting the importance of this second century theologian for theology today this commentary and theological interpretation offers an incentive to study Irenaeus in the wider development of Christian doctrine as a cardinal figure in the appreciation of systematic theology *On the Apostolic Preaching* Irenaeus of Lyon, In his groundbreaking work *On the Apostolic Preaching* Saint Irenaeus the influential 2nd century bishop of Lyon presents a compelling and comprehensive defense of Christian doctrine As one of the earliest and most prominent theologians of the early Church Irenaeus seeks to establish a clear understanding of the apostolic tradition and its significance in the face of growing heresies Through a meticulous examination of Scripture and a deep understanding of the teachings handed down by the apostles Irenaeus articulates the fundamental tenets of the Christian faith He explores the nature of God the role of Christ in salvation history and the unity of the Old and New Testaments With great clarity and conviction Irenaeus demonstrates the continuity between the prophetic writings and the gospel message emphasizing the fulfillment of God's plan through Jesus Christ *On the Apostolic Preaching* stands as a timeless testament to the enduring truth of the Christian message and the importance of preserving the apostolic tradition Irenaeus's work not only refutes the claims of heretical movements but also provides a solid foundation for Christian theology that continues to shape the Church

to this day This essential text offers invaluable insights for scholars theologians and all those seeking a deeper understanding of the roots of Christian faith

The Demonstration of the Apostolic Preaching Saint Irenæus, Aeterna Press, IT is a remarkable fact and much to be regretted that none of the works of St Irenæus the greatest theologian of the second century have come down to us in the language in which they were written Of his chief work the five books Against Heresies we have a very early Latin translation and a few fragments of the original Greek preserved through quotation by other writers The work now before us The Demonstration of the Apostolic Preaching has recently been found in an Armenian translation and no portion of it seems to have survived in any other language Aeterna Press

Apostolic Preaching Considered in an Examination of St. Paul's Epistles John Bird Sumner, 1830

The Demonstration of the Apostolic Preaching St. Irenaeus of Lyons, Armitage Robinson, 2013-04-18 In a day of many and varied denominations one might wonder what the doctrine and belief of the unified apostolic church looked like Due to a modern day discovery of an ancient lost manuscript now we know The Demonstration of the Apostolic Preaching is a faithful transmission of what the intellectual Christian was taught in the second century Irenaeus Bishop of Lyons famed as the subduer of heretics and as the most brilliant Christian mind of his day now brings us this early body of doctrine being only decades removed from the apostles of Christ

with the this of contemporary experience and discipleship Hence rather than only reflecting pentecostal preaching of the sort that happens in the pulpits of churches connected to the modern movement by that name these sermons are presented as the participating in the form of gospel proclamation inspired and empowered by the divine Spirit poured out on all flesh on the Day of Pentecost by the risen Christ from the right hand of the Father Whether read or heard there are links to video and audio archives throughout these homilies are illustrative of exegetical and expository practice that connects the biblical text with Spirit filled faithfulness in the twenty first century ecumenical church and world at large
