**Sea Power and the American Interest** John F Morton, 2024-04-15 From the Civil War to the Great War the transatlantic commercial trading system that dated from the nation's colonial times continued in America By 1900 the sustainability of this Atlantic System was in the material interest of an industrial America on which its aggregate national prosperity depended The principal beneficiary of this political economic reality was the American moneyed interest centered in the Northeast with New York City at the heart Author John Fass Morton explains how this country came to put a value on commercial opportunities overseas in support of America's steel industry Europeans and Americans alike pursued informal empires for resource acquisition and markets for surplus capital and output Morton looks at how U S policy found consensus around the idea of empire taking stock of the opening of Latin American and Chinese markets to American commerce as a means for averting socially destabilizing economic depressions Republican administrations reflected Wall Street finance and America's other three Madisonian interests commercial manufacturing and agrarian with the Open Door and Dollar Diplomacy policies to establish fiscal protectorates in Central America and the Caribbean Undergirding Dollar Diplomacy was their commitment to a great navy that would be the insurance for an ongoing American interest that Dollar Diplomacy represented With the strategic arrival of the petroleum sinew and the Wall Street reassessment of the Open Door in China the Wilson administration tilted toward protecting American investments in the hemisphere notably in Mexico with a Big Navy With Wilson a progressive foreign policy establishment arrived while continuing to reflect the transatlantic internationalism of the Northeast moneyed interest As a twentieth century progressive institution the Navy would thus sustain an American expansion that was now progressive The Navy story from the Civil War to the Great War reveals a truth The foundational and dynamic sectors of a great nation's economic base its sinews give rise to policy consensus networks that drive national interest long term strategy and the characteristics of its elements of national power It follows that the attributes of sea power must be material expressions of those sinews allowing a navy better to serve as a sustainable and actionable tool for a great nation's interest      *Alexander Hamilton* Charles Conant, 2016-12-03 Alexander Hamilton 1901 biography of the American Founding Father by Charles A Conant Alexander Hamilton was an influential interpreter and promoter of the U S Constitution as well as the founder of the nation's financial system the Federalist Party the United States Coast Guard and The New York Post newspaper As the first Secretary of the Treasury Hamilton was the main author of the economic policies of the George Washington administration      *Alexander Hamilton* Charles A. Conant, 2017-05-19 The difference between the career of Hamilton in America and that of the two greatest organizing minds of other countries Caesar and Napoleon marks the difference between Anglo Saxon political ideals and capacity for self government and those of other races Where the organization of a strong government degenerated in Rome and France into absolutism it tended in America under the directing genius of Hamilton to place in the hands of the people a more powerful instrument for executing

their own will So powerful a weapon was thus created that Hamilton himself became alarmed when it was seized by the hands of Jefferson Madison and other democratic leaders as the instrument of democratic ideas and those long strides were taken in the states and under the federal government which wiped out the distinctions between classes abolished the relations of church and state extended the suffrage and made the government only the servant of the popular will

Alexander Hamilton - Illustrated and Annotated Charles Conant,Doug West,2015-07-29 The book Alexander Hamilton by Charles A Conant was originally published in 1901 The annotated and illustrated version contains in addition to the original work An Introduction to the book Numerous illustrations and maps to help tell the story of Alexander Hamilton A brief biography of the author Charles A Conant Alexander Hamilton was truly an amazing man He started from humble beginnings on a tiny island in the Caribbean Sea He was orphaned at thirteen became an apprentice at a counting house and found his way to the English colony of America for formal education From these humble beginnings he would rise to be the top aid of General Washington during the Revolutionary War represent the state of New York as a delegate at the Constitutional Convention and become the first Secretary of the Treasury for the fledgling United States of America His untimely and violent death would draw his life to a close but his legacy lives on Come and be a part of the life and times of this accomplished American

**The State of the System** Paul W. Bennett,2020-09-23 Over the last fifty years Canada s public schools have been absorbed into a modern education system that functions much like Max Weber s infamous iron cage Crying out for democratic school level reform the system is now a centralized bureaucratic fortress that every year becomes softer on standards for students less accessible to parents further out of touch with communities and surprisingly unresponsive to classroom teachers Exploring the nature of the Canadian education order in all its dimensions The State of the System explains how public schools came to be so bureaucratic confronts the critical issues facing kindergarten to grade 12 public schools in all ten provinces and addresses the need for systemic reform Going beyond a diagnosis of the stresses strains and ills present in the system Paul Bennett proposes a bold plan to re engineer schools on a more human scale as the first step in truly reforming public education In place of school consolidation and managerialism one size fits all uniformity limited school choice and the success for all curriculum Bennett advocates for a new set of priorities decentralize school governance deprogram education ministries and school districts listen to parents and teachers and revitalize local education democracy Tackling the thorny issues besetting contemporary school systems in Canada The State of the System issues a clarion call for more responsive engaged and accountable public schools
