## Getting The Love You Want

Harville Hendrix

© Dr Jan R. Ridgway PhD

### Introduction

Hendrix's work in the above title is essentially about marriage counselling. He begins by talking about his history in counselling others in failing marriages. He first used "problem-oriented, contractual marriage counseling" (p. xiv) and when this approach failed, he turned to the individual counselling of each partner. However, the issue of finding a more helpful approach became more acute when he and his wife began to have their own marriage problems. Although, they were fully committed to their marriage and worked hard for about 8 years to try to save it, they were finally divorced. Hendrix felt a failure as a husband and as a therapist.
