Raindrops of Revelation Zion S. Kwok, 2024-12-17 Call to me and I will answer you and will show you great and difficult things which you don't know Jeremiah 33:3 WEB The Lord gave us the Book of Revelation a book of signs and mysteries Let us ask Him for understanding for surely He desires that the book bear fruit in the lives of His people Raindrops of revelation will fall upon us accumulating into ever deeper pools of understanding or perhaps our imagination Yet in all this we marvel at the wondrous design of the book Is there a literary progression in the letters to the seven churches Have the seals anything to do with the Great Persecution at the time of Diocletian How long is the Day of the Lord Is there a real animal with ten horns Is the beast from the land the same as Babylon the Great Will the vertical dimension of the New Jerusalem be mostly underground May we wait more eagerly for the coming of our Lord **Christian Zionism in the Twenty-First Century**

Motti Inbari, Kirill Bumin, 2024 This study draws on three original surveys conducted by the authors to understand the religious social and political factors that lead evangelical and born again Christians to support the state of Israel in the Israeli Palestinian conflict *Christmas yet to Come* Kevin D. Perdue M.D., 2022-08-30 When is Christ returning Is it soon as many prophecy experts predict Can you even really know Since the Bible provided an accurate timeline for Christ's first arrival it seems possible that scripture would also identify when His second coming will occur A study of the dates and times provided in scripture provides a different and unique look at when and how God may unfold the events of Daniel's 70th week and the return of Christ

When the Perfect Comes Dr. Brad Young, 2022-08-08 A masterful yet truly accessible survey of end time theology Young presents complex topics in a very readable manner all the while remaining faithful to Scripture Micah Redfield Master of Theology from Denver Seminary Scripture affirms what the apostles passed down to the early church including that the church will go through the entire Tribulation and the Antichrist will come from the Middle East If the Early Church and ancient Jewish writings including Hosea are correct the Tribulation might start within the next three years Brad Young examines what the Bible tells us about the end time as well as the Second Coming of Christ He considers questions such as Why should we study prophecy How do we discover prophetic truth Can the Bible's prophecies be trusted What happens before and during the Tribulation Who will the Antichrist be and what is the Mark of the Beast How should we prepare for the Tribulation and Second Coming He also examines why there is a need for the Tribulation what happens when Christ returns and what the Kingdom of God will be like Other topics include the role of Islam during the end time as well as the role of Russia Also how Iran will spark a war in the Middle East just before the Tribulation Simplified and condensed with over 500 references *When The Perfect Comes* covers all aspects of prophecy which affect our lives and instructs us on the signs to look for This is the only prophecy book you need to understand the end time and what to do about it Discover what the Bible tells us about the Second Coming of Christ and change your life forever with the wisdom in *When the Perfect Comes* **Revelation** Jeff Ferguson, 2021-11-03 Social injustice social distancing and masks the coronavirus pandemic

earthquakes wars and rumors of wars is this really the end times When thinking about the book of Revelation death and destruction lawlessness and chaos seem to be the focus of most people Humanity especially Hollywood seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy The problem with this is most media sources miss the main point for which these catastrophes occur the call of God for His creation to reunite with Him The book of Revelation is probably the most controversial book of the Bible Which piece of literature throughout history has had more written about it with such widely divided opinions and differing beliefs Yet through all of the existing material there is still widespread confusion and improbable comprehension regarding this prophecy However controversial it may seem Revelation is also one of the most important writings we have available concerning the Christian life today It is a compulsory read for anyone serious about living their life for Jesus Christ Revelation The Full Disclosure of Jesus Christ takes the reader verse by verse through the entire twenty two chapters of Revelation giving accurate but easy to understand explanations It is designed as a study guide for the children of God at every level of understanding The book of Revelation is both a continuation and ending of the story that began in the book of Genesis So come let us explore together the final chapter of the greatest story ever told [Iran's Great Invasion and Why It's Next in Bible Prophecy](#) Mark

Davidson,2017-02-24 What would you do What if you stumbled across a message a simple interpretation of scripture much simpler than scholars had been telling us and it opened your eyes and completely transformed your perspective of the end times What if you knew in your heart and mind it was true because news coming from the Middle East confirmed this message every day What if millions of lives were about to be deeply affected and someone had to say something And what if that someone had to be you What would you do If you want to know the truth regarding present day events in the Middle East and how they will affect you and your family you need to get this book A major fire has been lit and few are paying attention Dr Sonny Payne founder of New Gate Ministries and host of the international television program Jerusalem Chronicles What Mark has done is create a very quick read for those Christians who can feel something coming but cant put their finger on it who know that God is in control but in a world spiraling into chaos dont know where to go scripturally Chris Mantei Northeast Region Community Voice Voice of the Martyrs The message in this book needs to be heard today I wholeheartedly and enthusiastically recommend this book It will change the way you face the future Carl Sutter senior pastor Foundations Church Loveland Colorado **Zoology in the Middle East** ,2004 [Genocide in the Middle East](#) Hannibal Travis,2010 Genocide in the Middle East describes the genocide of the Armenians Greeks and Assyrians of the Ottoman Empire in the nineteenth and early twentieth centuries of the Kurds and other persons living under Saddam Hussein in northern Iraq in the late 1980s and of the Dinka Nuba Fur Masalit and Zaghawa peoples of Sudan from the 1970s to the present It situates these crimes in their historical context as outgrowths of intolerant religious traditions imperialism and the rise of the nation state Cold War insurgencies and counterinsurgencies and the global competition for resources and markets
