**Impossible Mission I & II - The Official Guide** Holger Weßling, 2020-11-25 The iconic Impossible Mission games by Epyx Inc enthralled a generation pitting the player's wits against the diabolic genius of the mad scientist Elvin Atombender in a race against time to save the world. Now in this official guide to Impossible Mission I and II we get the chance to hear from some of the people who both created and brought the games to market such as Dennis Casswell, Chris Crigg, Peter Filiberti, Mihaly Kenczler, and many more. This definitive work contains dozens of chapters from the history of Epyx, the company, the various versions and ports over the years, the in-game music, the ground-breaking synthesized speech, to extensive hints, tips, and walkthroughs. Written by established retro computer writer Holger Weßling and with a foreword by Darren Melbourne, who has been associated with many of the games incarnations.

**Willing's Press Guide**, 2003 Coverage of publications outside the UK and in non-English languages expands steadily until in 1991 it occupies enough of the Guide to require publication in parts. **Willing's Press Guide and Advertisers' Directory and Handbook**, 2002 *The Video Games Textbook*

Brian J. Wardyga, 2018-08-06 The Video Games Textbook takes the history of video games to another level with visually stimulating, comprehensive and chronological chapters that are relevant and easy to read for a variety of students. Every chapter is a journey into a different era or area of gaming where readers emerge with a strong sense of how video games evolved, why they succeeded or failed, and the impact they had on the industry and human culture. Written to capture the attention and interest of both domestic and international college students, each chapter contains a list of objectives and key terms, illustrative timelines, arcade summaries, images, and technical specifications of all major consoles. Key Features: Explores the history of video games including the social, political, and economic motivations. Facilitates learning of material with illustrative timelines, arcade summaries, and images. Highlights the technical specifications of all major consoles. Illustrates the breakthroughs and trends of the gaming market. **Children's Technology Review**, 2005
