The Best Roblox Games Ever (Independent & Unofficial) Kevin Pettman, 2021-02-25 There are thousands of games in Roblox and this book tells you which ones are the very best Whether you re brand new to Roblox or a seasoned veteran you ll need this essential independent guide Over 100 games are profiled and rated with game divided up by genre As well as giving each game a Roblox Rating it s filled with tons of cool and quirky facts about each game as well as the latest stats on popularity difficulty gameplay and more This is the only 100% unofficial completely authoritative guide to Roblox games you ll ever need *The Everyday Lives of Children Who Have Experienced Domestic Abuse* Brenda Herbert, 2026-02-19

Discussions on children who have experienced domestic abuse often focuses on trauma and risks and little is known about their lives beyond abuse This risks pathologising children and reinforcing colonial and patriarchal social norms This groundbreaking book challenges dominant narratives by drawing on an 18 month multimodal ethnography with children in an inner London borough Offering a radical and holistic perspective on children s personhood this book situates their everyday lives within broader global debates on childhood decolonisation and social justice It engages with the works of Black feminist decolonial and Indigenous scholars calling for a fundamental rethinking of how we support and understand children who have experienced domestic abuse **Child Protection and Safeguarding Technologies** Maggie

Brennan, Andy Phippen, 2019-08-22 This book explores through a children s rights based perspective the emergence of a safeguarding dystopia in child online protection that has emerged from a tension between an over reliance in technical solutions and a lack of understanding around code and algorithm capabilities The text argues that a safeguarding dystopia results in docile children rather than safe ones and that we should stop seeing technology as the sole solution to online safeguarding The reader will through reading this book gain a deeper understanding of the current policy arena in online safeguarding what causes children to beocme upset online and the doomed nature of safeguarding solutions The book also features a detailed analysis of issues surrounding content filtering access monitoring surveillance image recognition and tracking This book is aimed at legal practitioners law students and those interested in child safeguarding and technology
