The Health Benefits of Pets

1987 **Health Benefits of Pets** National Institutes of Health, 1988 **The Power of Pets** Australian Companion Animal Council, 2000 *How Children Benefits from Pet Ownership* Rickey D Flynn, 2022-12-22 It most likely does not shock you that kids love pets especially assuming that your own kids have been begging you for a dog or a cat All things considered pets offer a special kind of companionship that children appear to instinctually realize they will not have the option to find elsewhere Besides the fact that animals love genuinely however they are consistently prepared to tune in without judgment

As a matter of fact concentrates on show that pet ownership might help kids in various ways Pets can help decrease stress and could in fact help children develop social and profound skills Also despite the fact that exploration on human animal association is still relatively new starting examinations have shown that pets can reduce cortisol levels decrease loneliness boost mood and increase feelings of social support Pets, Benefits and Practice British Small Animal Veterinary Association.
