you begin your adventure there's so much more you can do with your character to make him or her your own. Just how evil is she? What does his dating profile look like? Where did she get that scar? What does he want for his birthday? With fill-in-the-blank narratives, prompts, and fun activities to help you customize your character at the start of the game or build out your backstory as you play, *The Ultimate RPG Character Backstory Book* will help you fully imagine your character and bring them to life for the ultimate gaming experience.

**Roleplaying Adventure System** Joshua Petersen, 2012-06 *Roleplaying Adventure System* Dreams, or RAD for short, is the first of a series of books designed to be one of the most versatile and capable roleplaying systems ever created. Unlike most books which you read once and are done, roleplaying books let you create your own stories with a group of friends, creating a social and fun setting, getting you more entertainment for your dollar than almost anything else, and Dreams takes it farther than any before. Created over 10 years, Dreams was made by listening to complaints people had about existing RPGs and trying to fix them. The system that evolved from this attempt to make a better game is what you now hold in your hand. Although it is the first of the many books in the series to come, this book alone can provide many adventures. More than the run-of-the-fair hack/slash, Dreams handles complex rules for social manipulation, to physics-based weapon systems, to rules built on giving you the most options condensed into the fewest pages possible, and only a few core rules to learn. Dreams is a system both elegant in its simplicity and astounding in its potential complexity. The system is two games in one. A quick and easy Basic game is included for players who don't want to have to deal with a lot of rules, and the much more robust Full game designed for the lovers of fine control and accuracy in mind. Dreams is the next evolution in RPGs.

**Roblox: The 100% Unofficial Game Guide** Kevin Pettman, 2022-12-01 Based on the smash hit game Roblox, *The 100% Unofficial Game Guide* is an in-depth handbook to the world of Roblox.
