*Roblox Advanced Coding Guide* Oliver Petesic, 2021-06-27

Roblox coding refers to the process of making interactive, fully functional online games using the Roblox platform, particularly the Roblox Studio editor. Learn how to code using the programming language Lua to create new objects and games in the Roblox world, from teleporting objects or PCs/NPCs to adding and applying power-ups to creating a leaderboard and allowing players to save their games. This book walks you through the basics of the studio tool, provides tutorials for specific actions and creations, then explains how to use all of that knowledge to create your unique game world. With detailed instructions, example screenshots, and simple explanations of what code to use and how to use it, this book is a must-have guide for any Roblox game designer, from beginners to expert coders.
