*Party Life* Eric Li,2023-10-31 The emergence of China as a great power is perhaps the most consequential

development for the world in the 21st century Yet what the Western world sees in this development is largely through the prism of misinterpreted ideological dichotomy and misguided geopolitical rivalry This book offers a deep look at the Chinese Communist Party and the nation it leads at conceptual historic and operational levels If Thomas Kuhn s concept of paradigm shift can be used in the social sciences then China would represent the most significant anomaly to the dominant liberal exemplar For students of China and of politics in general and for the Western political and commercial elites if they were to read one book about China to grasp the nature and weight of the Chinese phenomenon Party Life would be it *Introducing Sociology Using the Stuff of Everyday Life* Josee Johnston,Kate Cairns,Shyon Baumann,2025-10-03 The challenges of teaching a successful introductory sociology course today demand materials very different from the norm It is a question of making the practice of sociological thinking meaningful rigorous and relevant to today s world of undergraduates This comparatively concise highly visual and engaging book offers a refreshingly new way forward to reach students using one of the most powerful tools in a sociologist s teaching arsenal the familiar stuff in students everyday lives throughout the world the jeans they wear to class the coffee they drink each morning or the phones their professors tell them to put away during lectures A focus on consumer culture seeing the strange in the familiar is not only interesting for students it is also the authors suggest pedagogically superior to more traditional approaches By engaging students through their stuff this book moves beyond teaching about sociology to helping instructors teach the practice of sociological thinking It moves beyond describing what sociology is so that students can practice what sociological thinking can do This pedagogy also posits a relationship between teacher and learner that is bi directional Many students feel a sense of authority in various areas of consumer culture and they often enjoy sharing their knowledge with fellow students and with their instructor Opening up the sociology classroom to discussion of these topics validates students expertise on their own life worlds Teachers in turn gain insight from the goods services and cultural expectations that shape students lives While innovative the book has been carefully crafted to make it as useful and flexible as possible for instructors aiming to build core sociological foundations in a single semester A map on pages xix xx identifies core sociological concepts covered so that a traditional syllabus as well as individual lectures can easily be maintained Theory method and active learning exercises in every chapter constantly encourage the sociological imagination as well as the doing of sociology This new edition is thoroughly revised and updated incorporating the latest research around material sociology culture and object oriented studies New teaching materials and illustrations are included Online resources to support teaching and learning include Videos flashcards quizzes and further reading Instructor s manual PowerPoints and test bank **Winning Black Friday** Linda T Carpenter,2025-10-22 Every year shoppers wait for that one Friday in November the day when prices drop stores buzz and the race for the best deal begins But here s the truth real winners don t wait for Black Friday to start they prepare for it long before it comes Winning Black Friday is more than a shopping guide It s a motivational roadmap for anyone who wants to save money skip the chaos

and actually enjoy the season. Whether you're a first time shopper or a seasoned deal hunter this book teaches you how to think, plan and act like a pro. Inside you'll discover how to Develop the early shopper mindset. Learn how planning ahead gives you the power to pick the best deals without the stress, pressure or last minute rush. Set goals that make sense. Create a realistic shopping plan based on what you need not what the ads tell you to buy. You'll learn how to budget smarter and avoid the spending traps that most people fall into. Plan like a pro. From saving early to tracking prices and organizing your shopping list you'll build a strategy that keeps you focused and in control. Spot real deals vs fake discounts. Understand how retailers use flashy tags and limited time offers to trick buyers and how you can see through it all to get genuine savings. Build a winning shopping strategy. Combine timing, research and preparation to stretch your money further and still get quality products. Master online vs in store shopping. Learn when it pays to shop online for convenience and when stepping into a store gives you better value and control over your purchase. This book will completely change the way you approach Black Friday. Instead of running from deal to deal and hoping for the best you'll know exactly where to look, what to buy and when to act. You'll spend less, save more and walk away with confidence knowing you got true value not just discounts. Whether your goal is to find the perfect holiday gifts, upgrade your gadgets or stretch your family budget. Winning Black Friday gives you the tools, mindset and motivation to make every purchase count. If you're ready to stop overspending, avoid stress and finally take control of your Black Friday shopping this is the guide you've been waiting for.
