**Giants on the Earth in Those Days... and Also After That** Roberta Sams, 2015-01-26 What I appreciate about There Were Giants on the Earth in Those Days and Also After That is that it is not only intelligible but is enjoyable to read It doesn't require the reader to know a lot about eschatology but provides them a learning experience as the author has done extensive research and study to uncover the mysteries of the Bible which has all the answers It tells what is going to happen in the future The book deals with how Lucifer was cast out of heaven when he rebelled against God and how sin first entered into the world in the garden of Eden It shows how Satan has battled against God and His plan to provide salvation through faith in Jesus Christ Subjects like giants in the land the flood false religions Islam secret societies UFOs and others are discussed The Federal Reserve and HAARP by which they are trying to control the weather the Rapture the new world order the mark of the beast and the Antichrist are all dealt with according to the Word of God I recommend the entire book be read in order to experience the benefits of the authors laborious efforts to cover the past the present and the future of our world Rev David Lathrem associate pastor Lee Boulevard Baptist Church [Right at the Door](#) Larry L. Ungar, 2009-11 WAR FAMINE NATURAL DISASTERS LAWLESSNESS ECONOMIC COLLAPSE At no time in history has it become more apparent we are in the final days before Jesus Christ's return Weary from fear of terrorism violence and an unknown future we battle against despair But we have a loving Heavenly Father who does not leave us in the dark and alone Through the revelations of God's Word the author reveals God's plan for these final days and a timeframe for Jesus long awaited return In a world besieged by hopelessness this is a great hope Jesus is near He is right at the door Larry L Ungar is retired from the United States Air Force after serving his country for 30 years He is a gifted teacher and enjoys sharing the Word of God with others After accepting Jesus Christ as his Savior in his late forties Larry began a great adventure with the Lord resulting in this book He is a father of two adult sons and a grandfather of two He resides in Jacksonville Florida with his family **Those Terrible**

**First Hours** Robert Carr,2017-05-19 Everyone knows the characters of the cartoons Scooby Doo Where Are You and Johnny Quest In both of these cartoons the characters did that which was right without expecting anything in return a far cry from what we have today Even though we have many working for the common people of the nation we have far too many who work for themselves Even though I have the hope in Christ Jesus I think that the media has done a good job showing that Donald Trump has an ego the size of Texas But I feel that they do not know what to do with Hillary Rodham Clinton and therefore do not know how to criticize her Furthermore I don t think that it matters who gets in because I think they will be like the second Herbert Hoover
