On The Incarnation Enhanced Version:

The Gershwins and Me (Enhanced Edition) Michael Feinstein, 2012-10-16 This special enhanced eBook includes twelve Gershwin classics performed by Michael Feinstein and commentary from the author on the music and the lives of George and Ira Gershwin. From celebrated entertainer Michael Feinstein comes a beautifully illustrated account of the lives and legacies of the Gershwins told through stories of twelve of their greatest songs. The Ambassador of the Great American Songbook Michael Feinstein was just twenty years old when he got the chance of a lifetime a job with his hero Ira Gershwin. During their six year partnership the two became close friends. Feinstein blossomed under Gershwin's mentorship and Gershwin was reinvigorated by the younger man's zeal for his and his brother George's legacy. Now in *The Gershwins and Me* the only book of its kind Michael Feinstein shares unforgettable stories and reminiscences from the music that defined American popular song along with rare Gershwin memorabilia he's collected through the years. From *Strike Up the Band* to *Love Is Here to Stay* each of the twelve chapters highlights one of the Gershwins classic songs exploring the brothers' lives illuminating what the music meant to them and telling the stories of how their iconic tunes came to life. Throughout the star studded narrative Feinstein unfolds the moving chronicle of his own life with the Gershwins describing his vision for their enduring presence today. No other writer could give us such an authoritative inside perspective on these titans of American culture and no other writer could include such a soulful collection of music as Feinstein's original recordings of the twelve songs. A timeless classic and the definitive account of the Gershwins and their legacy. *The Gershwins and Me* will have you humming with every turn of the page.

[Luther's Outlaw God](#) Steven D. Paulson, 2019-09-03 In this second of three volumes addressing Luther's outlaw God Steven D. Paulson uses several biblical figures Ezekiel, Jonah, Moses, David and more to illustrate Luther's understanding of law and gospel and what this means for preaching. Paulson shows that the challenge of all preaching is revealing God's actual grace without using the law at all. The gospel is what freed Luther from thinking of the world as split into two: an obscure world where law accuses and a magical world where the law blesses. With remarkable depth and clarity Paulson explores the question: Where do we find a gracious God? For Luther it was not in the law but only in the publicly executed and hated God Jesus Christ hidden in the cross.
