[Lost Light](#) Michael Connelly,2009-12-23 Award winning No 1 bestselling author Michael Connelly's ninth Bosch book Hieronymus Harry Bosch has retired from the Los Angeles Police Department but the discovery of a startling unsolved murder among his old case files means he cannot rest until he finds the killer. When he left the LAPD Bosch took a file with him the case of a production assistant murdered four years earlier during a movie set robbery. The LAPD thinks the stolen money was used to finance a terrorist training camp. Thoughts of the original murder victim were lost in the federal zeal and when Bosch decides to reinvestigate he quickly falls foul of both his old colleagues and the FBI. When the private investigation enables him to meet up with an old friend shadows from his past come back to haunt him. **[Lost Light](#)**

Michael Connelly,2003 [Lost Light](#) Michael Connelly,2003 Touch guy or not there will always be some cases that remain in the heart of former LAPD detective Harry Bosch. The unsolved murder of Hollywood production assistant Angella Benton is at the top of the list. So when an ex cop asks him to dust off the file Harry's more than willing to come out of retirement. Just weeks after Angella was killed the film company she worked for had 2 million dollars stolen from the set. Was there a connection between the heist and her murder? As Harry investigates he gets a warning from the force followed by threats from the FBI to back off. And suddenly it's hard to distinguish friend from foe. Not until a murderous ambush at Harry's remote hilltop home will he discover just how risky a matter of the heart can be. **[Book Jacket](#)** **[The Harry Bosch Novels](#)**

[Volume 3](#) Michael Connelly,2010-11-03 For the first time in one volume the three novels that take Harry Bosch through his most perilous cases yet and to the edge of the abyss. **[A Darkness](#)** **[More than Night](#)** It was a case some cops could live with the torture and killing of a man who spread horrors of his own. Former FBI profiler Terry McCaleb is called in to decipher the grisly crime scene. Shockingly the suspect he pinpoints is LAPD detective Harry Bosch. But while Bosch may have had a good reason to commit murder he has an even better one for staying alive and for finding a suspect of his own. **[City of Bones](#)** A dog finds a bone in the Hollywood Hills and unearths a murder committed more than twenty years earlier. It's a cold case but Bosch can't let it go. As the investigation takes him deeper into the past a beautiful rookie cop brings him alive in the present until a stunningly blown mission and a brutal showdown leave Bosch on the brink of an unimaginable decision. **[Lost Light](#)** For years the unsolved murder of Angella Benton has haunted him. Bosch was taken off the young production assistant's case when her death was linked with the violent theft of two million dollars from a movie set. Both files were never closed. Now retired from the LAPD Bosch is determined to find justice for Angella. And even in the faces of a powerful and ruthless opponent he will not back down with or without a badge. Together these three riveting, relentlessly paced novels take us even deeper into the complex hero. USA Today has called one of the most fascinating characters in the mystery world and show once more that Michael Connelly is the most talented of crime writers. **[The New Yorker](#)** **[The Harry Bosch Novels](#)**
