We Are the Nerds Christine Lagorio-Chafkin, 2018-10-02

A gripping read, Adam Grant, bestselling author of *Originals*, Reddit hails itself as the front page of the Internet. It's the sixth most visited website in the world and yet millions have no idea what it is. They should be paying attention. This definitive account of the birth and life of Reddit is perfect for readers of *The Everything Store*, *Googled* and *The Facebook Effect*. *We Are the Nerds* takes readers inside this captivating, maddening enterprise whose army of obsessed users have been credited with everything from solving crimes and spurring millions in charitable donations to seeding alt-right fury and even landing Donald Trump in the White House. Reddit has become a mirror of the Internet itself. It has dark trenches, shiny memes, malicious trolls and a heart-warming ability to connect people across cultures, oceans and ideological divides. This is the gripping story of how Reddit's founders, Steve Huffman and Alexis Ohanian, transformed themselves from student video gamers into Silicon Valley millionaires as they turned their creation into an icon of the digital age. But the journey was often fraught. Reporting on Reddit for more than six years, conducting hundreds of interviews and gaining exclusive access to its founders, Christine Lagorio Chafkin has written the definitive account of the birth and life of Reddit. Packed with revelatory details about its biggest triumphs and controversies, this inside look at Reddit includes fresh insights on the relationship between Huffman and Ohanian, staff turmoil, the tragic life of Aaron Swartz and Reddit's struggle to become profitable. In a time when we are increasingly concerned about privacy and manipulation on social platforms, *We Are the Nerds* reveals Reddit's central role in the dissemination of culture and information in history's first fully digital century. Rigorously reported and highly entertaining, *We Are the Nerds* explores how this unique platform has changed the way we all communicate today.
