**Singh, Surabhi**

## Cyber Week Review:

Cybersecurity Governance in Latin America Carlos Solar, 2023-01-01 Cybersecurity Governance in Latin America discusses how the massification of the Internet has exposed emerging democracies high tech vulnerabilities to cyber attacks and questions why states have decided to introduce policies and legislation facilitating the militarization of cyberspace Carlos Solar offers a comparative analysis using the cases of Argentina Brazil Chile Colombia Mexico and Venezuela to help navigate the changing security landscape and the growing risks found in the digital domain His analysis includes a review of civilian and military preparedness emphasizing the ongoing alliances with the world s superpowers to finally debate what are the side effects for peace and development in the Americas from the current cybersecurity rivalry between the United States and China Providing a much needed account of state technology affairs in the global south Cybersecurity Governance in Latin America challenges scholars and policymakers to rethink the protection of cyberspace to avoid unnecessarily sacrificing rights and freedoms in the name of national security

**OECD Reviews of Digital Transformation Going Digital in Brazil** OECD, 2020-10-26 Going Digital in Brazil analyses recent developments in Brazil s digital economy reviews policies related to digitalisation and makes recommendations to increase policy coherence in this area

**Georgetown Journal of International Affairs** Azhar Unwala, Zachary Burdette, 2016-01-19 This fifth edition in the International Engagement on Cyber series focuses on securing critical infrastructure The centrality of critical infrastructure in the Obama administration s recent cybersecurity initiatives demonstrates the timeliness of this topic for greater review and scholarly input In this manner articles in this issue uncover the role and extent of international law and norms public private cooperation as well as novel ways of conceptualizing security in efforts to improve critical infrastructure cybersecurity Other pieces provide case studies on the telecommunications power and energy sectors to generate an in depth understanding of specific responses to security concerns in different infrastructure areas Additional contributions examine regulatory activities in cyberspace the potential value of cryptocurrency the evolution of cloud computing cybersecurity in Brazil as well as the integration of cyber in the military strategies of Russia China and the United States The diversity of these topics demonstrates the Journal s continued commitment to pursuing the myriad facets that compromise the field of cyber Please note this special issue is not included in the subscription to the journal

Beijing Review, 2012-10

*Bookleggers and Smuthounds* Jay A. Gertzman, 2011-09-02 Between the two world wars at a time when both sexual repression and sexual curiosity were commonplace New York was the center of the erotic literature trade in America The market was large and contested encompassing not just what might today be considered pornographic material but also sexually explicit fiction of authors such as James Joyce Theodore Dreiser and D H Lawrence mail order manuals pulp romances and little dirty comics Bookleggers and Smuthounds vividly brings to life this significant chapter in American publishing history revealing the subtle symbiotic relationship between the publishers of erotica and the moralists who attached them and how the existence of both groups depended on the enduring appeal of prurience By keeping intact the association of sex with obscenity and shameful silence distributors of erotica simultaneously provided the antivice crusaders with a public enemy Jay Gertzman offers unforgettable portrayals of the pariah capitalists who shaped the industry and of the individuals organizations and government agencies that sought to control them Among the most compelling personalities we meet are the notorious publisher Samuel Roth the Prometheus of the Unprintable and his nemesis John Sumner head of the New York Society for the Suppression of Vice a man aggressive in his pursuit of pornographers and in his quest for a morally united and ethnically homogeneous America
