**There Is No Place for Us** Brian Goldstone, 2025-03-25 ONE OF THE NEW YORK TIMES AND THE ATLANTIC'S TEN BEST BOOKS OF THE YEAR, ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR

Through the revelatory and gut wrenching Associated Press stories of five Atlanta families, this landmark work of journalism exposes a new and troubling trend: the dramatic rise of the working homeless in cities across America. An exceptional feat of reporting, full of an immediacy that calls to mind Adrian Nicole LeBlanc's *Random Family* and Matthew Desmond's *Evicted* (The New York Times Book Review Editors' Choice FINALIST FOR THE ANDREW CARNEGIE MEDAL, A BEST BOOK OF THE YEAR, NPR, The Washington Post, Atlanta Journal Constitution, Elle, New America, BookPage, Shelf Awareness). The working homeless. In a country where hard work and determination are supposed to lead to success, there is something scandalous about this phrase. But skyrocketing rents, low wages, and a lack of tenant rights have produced a startling phenomenon: People with full time jobs cannot keep a roof over their head, especially in America's booming cities where rapid growth is leading to catastrophic displacement. These families are being forced into homelessness not by a failing economy but a thriving one. In this gripping

and deeply reported book Brian Goldstone plunges readers into the lives of five Atlanta families struggling to remain housed in a gentrifying increasingly unequal city Maurice and Natalia make a fresh start in the country s Black Mecca after being priced out of DC Kara dreams of starting her own cleaning business while mopping floors at a public hospital Britt scores a coveted housing voucher Michelle is in school to become a social worker Celeste toils at her warehouse job while undergoing treatment for ovarian cancer Each of them aspires to provide a decent life for their children and each of them one by one joins the ranks of the nation s working homeless Through intimate novelistic portraits Goldstone reveals the human cost of this crisis following parents and their kids as they go to sleep in cars or in squalid extended stay hotel rooms and head out to their jobs and schools the next morning These are the nation s hidden homeless omitted from official statistics and proof that overflowing shelters and street encampments are only the most visible manifestation of a far more pervasive problem By turns heartbreaking and urgent There Is No Place for Us illuminates the true magnitude causes and consequences of the new American homelessness and shows that it won t be solved until housing is treated as a fundamental human right

*Business, Society and Government Essentials* Robert N. Lussier,Herbert Sherman,2022-05-18 Understanding the interrelationship of business society and government is vital to working at any level in an organization of any size This text develops strategic management skills using an applied ethics approach primarily through a case study analysis pedagogy to develop and implement ethical strategies in today s high tech global community The authors crystallize the complex array of issues that business leaders managers and employees face in market and nonmarket environments from balancing stakeholder interests and dealing with government regulations to managing crises and making socially responsible and ethical decisions Technical concepts come to life through a variety of cases and case questions thought provoking personal and professional applications ethical dilemmas and practical exercises Furthermore an appendix offers approaches to case analysis and includes a case analysis table that serves as a model for students and professors Thoroughly revised and updated the third edition includes discussions on the influence of globalization and technology the impact of COVID 19 and greater focus on developing ethical strategies With its thorough coverage of relevant issues and skill building elements to stimulate critical thinking this text will engage and prepare students to understand and confront real world business issues by developing and implementing ethical strategies through case analysis of companies and analysis of organizational ethical dilemmas
