Trampled by Unicorns Maelle Gavet, 2020-10-06 A Wall Street Journal Bestseller An insider's revealing and in depth examination of Big Tech's failure to keep its foundational promises and the steps the industry can take to course correct in order to make a positive impact on the world. *Trampled by Unicorns* Big Tech's Empathy Problem and How to Fix It explores how technology has progressed humanity's most noble pursuits while also grappling with the origins of the industry's destructive empathy deficit and the practical measures Big Tech can take to self regulate and make it right again. Author Maelle Gavet examines the tendency for many of Big Tech's stars to stray from their user first ideals and make products that actually profoundly damage their customers and ultimately society. Offering an account of the world of tech startups in the United States and Europe from Amazon Google and Facebook to Twitter Airbnb and Uber to name a few. *Trampled by Unicorns* argues that the causes and consequences of Big Tech's failures originate from four main sources the Valley's cultural insularity the hyper growth business model the sector's stunning lack of diversity and a dangerous self sustaining ecosystem. However the book is not just an account of how an industry came off the rails but also a passionate call to action on how to get it back on track. Gavet a leading technology executive and former CEO of Ozon an executive vice president at Priceline Group and chief operating officer of Compass formulates a clear call to action for industry leaders board members employees and consumers users to drive the change necessary to create better more sustainable businesses and the steps Western governments are likely to take should tech leaders fail to do so. Steps that include reformed tax codes reclassification of platforms as information companies new labor laws and algorithmic transparency and oversight. *Trampled by Unicorns* exploration of the promise and dangers of technology is perfect for anyone with an interest in entrepreneurship tech and global commerce and a hope of technology's all empowering prospect. An illuminating book full of insights. *Trampled by Unicorns* describes a realistic path forward even as it uncovers and explains the errors of the past. As Gavet puts it we don't need less tech we need more empathetic tech. And how that crucial distinction can be achieved by the tech companies themselves driving change as governments actively pave the road ahead.

Statistics Robin H. Lock, Patti Frazer Lock, Kari Lock Morgan, Eric F. Lock, Dennis F. Lock, 2021-02-01 Statistics: Unlocking the Power of Data 3rd Edition is designed for an introductory statistics course focusing on data analysis with real-world applications. Students use simulation methods to effectively collect, analyze, and interpret data to draw conclusions. Randomization and bootstrap interval methods introduce the fundamentals of statistical inference, bringing concepts to life through authentically relevant examples. More traditional methods like t-tests, chi-square tests, etc. are introduced after students have developed a strong intuitive understanding of inference through randomization methods. While any popular statistical software package may be used, the authors have created StatKey to perform simulations using data sets and examples from the text. A variety of videos, activities, and a modular chapter on probability are adaptable to many classroom formats and approaches.

The Metail Economy: 6 Strategies for Transforming Your Business to Thrive in the Me-Centric Consumer Revolution Joel Bines, 2022-01-25 Rethink, rebuild, and re-energize your relationship with every customer for ultimate success in today's Metail economy. Armed with computers, tablets, smartphones, and social media, today's consumers have revolted against the marketplace status quo. Demanding a voice and sometimes a hand in the products they buy, these digitally empowered consumers "Me's" have inverted the traditional power dynamics of retail into Metail. To put it simply, your customers are now in charge, and you must recognize and embrace this fact in order to survive in the new Metail economy. From Joel Bines, one of today's top retail brand thought leaders, *The Metail Economy* provides innovative methods for connecting with the Me-centric consumer and shows how to thrive in this consumer revolution. Bines provides examples of companies that have failed to address the Metail paradigm along with those that are on the right path, clearly illustrating how the traditional power dynamic has inverted and why it matters for business survival. Bines offers six proven models you can use to cultivate and serve highly informed and empowered customers in the Metail marketplace. Curation, Customization, Category Expertise, Cost, Convenience, Community. Bines explains why you shouldn't pigeonhole your business into one model, but rather develop a deep self-awareness about how your organization is viewed and valued by your customers and focus your efforts accordingly. Whether you're the CEO of a global organization or starting your own clothing boutique, you must become a Metailer, and this groundbreaking book will show you how.
