Learn Unity for Android Game Development Adam Sinicki, 2017-07-21 Get a thorough and practical introduction to Unity development for Android devices with no previous experience with game development needed. In this book you'll go through every step from downloading and installing Unity and the Android SDK to creating fully functional games. The bulk of Learn Unity for Android Game Development is a simple project to create a 2D platform game complete with touchscreen controls, physics, enemies, respawning collectibles and more. The book closes with a brief introduction to creating 3D games, virtual reality games for the Gear VR and other more advanced applications. It also provides some guidance on publishing and marketing as well as thinking about game design and mechanics. Resources including sprites and scripts are provided in the code download. What You Will Learn: Install Unity with the Android SDK. Understand and use scripts, prefabs and Android Studio. Design a great game. Build a game app. Add a bit of polish. Deploy for various Android devices. Build and deploy for 3D games, virtual reality and more. Promote your game and make money. Who This Book Is For: This book requires no previous experience with programming or game development of any kind. Prior experience with the Android ecosystem is recommended.

Beginning Windows 8.1

Mike Halsey, 2013-10-14 Windows 8 has been described by Microsoft as its boldest Windows release ever and the 8.1 update enhances the paradigm further. Beginning Windows 8.1 takes you through the new features and helps you get more out of the familiar to reveal the fullest possibilities for this amazing new operating system. You will learn with non-technical language used throughout how to get up and running in the new Windows interface, minimize downtime, maximize productivity and harness the features you never knew existed to take control of your computer and enjoy the peace of mind and excitement that comes with it. From tips and tweaks to easy-to-follow guides and detailed descriptions, this book takes you inside Windows 8.1 to discover the true power and flexibility that lies within and guides you at your own pace through getting the very best from it. What you'll learn: About the ins and outs of the Windows 8 interface and its new features. How to personalize your Windows experience to give trouble-free performance. How to use your computer to connect to devices and services in the home, at work and on the move. How to maximize your productivity with Windows 8. How to secure and configure Windows 8 to guarantee a safe and secure experience. How to use, hack and manipulate Windows to enable advanced customization.
