**Offline-To-Online Business Manifesto** Ope Banwo, 2014-04-30 The OFFLINE TO ONLINE BUSINESS MANIFESTO is the Step By Step Blueprint For Strategically Positioning helping local businesses everywhere to launch their businesses on the Internet for maximum Profits While Internet usage continues to explode with more and more consumers spending more and more of their time and money on the internet and the effectiveness and reach of offline marketing tactics continue to dwindle savvy businesses are making sure their online presence is taken care of Companies without a strong internet presence and an articulated internet marketing strategy are already paying the price of inaction by losing customers and money to much smaller upstarts in the marketplace The issue is no longer whether any company needs to have an internet presence but how effective is your website and internet marketing strategy The truth right now is that if your company does have a website presence or strategy you can be sure that your competitor does Your competitors are probably the ones getting all of the leads on the internet right now while your company is stuck in time Even if you have a website unless you are web savvy there are probably competitors out there using the internet more effectively and eating your lunch without any compunction You need to do something to get from offline to online fast and this book can help you do that This guide

formulated to help you get up and running online lays out the 20 critical steps that will take a business with virtually NO online presence to the point where that business could potentially dominate the local internet market Take this book like a step by step manual that it is and follow the the clearly laid our step to launch your business into the current era before your competitors drive you out of business    **Connecting Online and Offline Marketing: Use Intention of Public Wi-Fi That Applies Location-Based Advertising** Dennis Nederlof,2016
