R. Graves,2013-06-10 My thoughts were first awakened to the subject discussed in this little book in 1832 upon witnessing the immersion of my mother and sister by a Pedobaptist minister and the plunging of another subject face forward as he knelt in the water and the pouring water upon another while kneeling in the water the sprinkling it upon another in the same position and the sprinkling upon several others while standing on the banks of the stream and yet others out of a pitcher in the meeting house Those different acts for one baptism made an indelible impression and the more so because the administrator seemed to be in ill humor when he immersed and dipped his hand in water and laid it upon the heads of the candidates he immersed while he repeated the formula The questions started were If he did not believe in immersion was the act at his hands valid If what is not of faith is sin could his sin be an act acceptable to God Old Landmarkism James Robinson Graves,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1880 edition Excerpt CHAPTER XV How the Fathers of New England Baptists regarded Pedobaptist societies and their ministers from A D 1638 until 1776 not as churches or brethren but enemies and persecutors Thus saith the I DEGREESord Stand ye in the ways and see and ask for the oldpaths where is the good way and walk therein and ye shall find rest for your souls Jer 6 16 My people have forgotten me they have burned incense to vanity and they have caused themselves to stumble in their ways from the ancient paths to walk in paths in a way

not cast up Jer 18 15 AVING shown in the last chapter that our fathers from the first to the sixteenth century in obedience to the divine injunction withdrew from those who departed from the teachings of Christ and thus preserved pure churches and a pure faith I now propose very briefly to show that the Baptists of America from the planting of the first church in Newport Rhode Island A D 1638 until A D 1776 were in faith and practice Old Landmarkers i WHAT WAS THE PRACTICE OF NEW ENGLAND BAPTISTS The Puritans who landed from the Mayflower A D 1620 did not come hither with the intent of establishing here a government where the oppressed of all nations would have absolute FREEDOM TO WORSHIP GOD but where their own particular creed would be protected and secured against disturbances from all other opposing religious faiths Therefore when they framed their laws they put their creed and the sword into the hands of the magistrates and made it their highest duty to see that all men who would enjoy the protection of their laws should on peril of estate and life accept the creed This was freely acknowledged by them And because they foresaw that this wilderness might be

High-church Baptists in the South James E. Tull,2000 James E Tull s study and critique of the history and teachings of Landmarkism has established itself as a classic treatment of this important movement This present version of that study is the revised condensed and updated edition of Tull s 1960 original Tull did not finish the revision before he died in 1989 but Morris Ashcraft has now completed that task according to Tull s directions and notes Ashcraft has also added a helpful preface With this new edition of Tull s invaluable work on Landmarkism a new generation of historians students and all seeking to understand Baptists have at hand a most helpful teacher Tull on Landmarkism

Turning Points in Baptist History Michael Edward Williams,Walter B. Shurden,2008 Arranged in chronological order so that the Baptist saga can be understood as a continuous narrative the book has the added advantage of permitting the reader to cherry pick chapters that are of particular interest The Baptist struggles for freedom of conscience for a believer s church for including both genders and all races for fulfilling the Great Commission and for the separation of church and state these are only a few of the denominational shaping turning points one discovers in this book
