All They Really Need Dr. Leslie

Solomonian, Heather Hudson, 2024-02-16 *All They Really Need* is a powerful counter narrative to fear based parenting and the artificial answers to life's basic needs. In a relatable and common sense way authors Leslie Solomonian and Heather Hudson address today's biggest parenting concerns offering strategies to promote the whole health of a child from birth to adulthood. Meticulously researched *All They Really Need* provides evidence that turning towards nature can help prevent modern epidemics including diabetes, allergies and mental health concerns. With snapshots from their own imperfect parenting they cover classics like nutrition, immunity and movement as well as more nuanced topics such as self esteem, sexuality and environmental responsibility. Leslie brings a wealth of academic rigor and clinical experience while Heather offers a down to earth interpretation that brings the book's concepts to life in an accessible and witty way.
