Managing Services Mark M. Davis, Janelle N. Heineke, 2003 Managing Services is an alternative to the growing service management market in that it is more managerial and procedural

placing less emphasis on quantitative tools and more on strategic concerns The benefit of this approach is that it views services from the perspective of the general manager rather than the operations specialist This is important especially considering most students taking this course aspire to and are preparing for managerial positions      **Kiplinger's Personal Finance** ,1953-07 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics      Product Realization Anna C.
