Korea's Platform Empire Seongcheol Kim, Dal Yong Jin, 2024-06-07 *Korea's Platform Empire* explores the evolution of digital platforms in South Korea's media sphere and their global political economic cultural and technological influence. With a focus on Korea in the context of the global platform revolution, the book takes a methodical look at the broader social implications and the impact on cultural production. The authors explore various facets of the media and cultural industries, looking beyond social media to news broadcasting and the music industry, and look at the policy and regulations behind this shifting technological advancement. This book will appeal to students and scholars working on media industries, digital media, platform studies, information and technology studies, Korean and East Asian media studies, and the creative and cultural industries.

Influencer Marketing Joyce Costello, Sevil Yesiloglu, 2025-05-27 Influencers offer brands the ability to deliver the right communication and marketing messages to a specific target audience. This is one of the first textbooks to explore the phenomenon of influencer marketing and how it fits within marketing communications to build brands and their communities. Across four core sections, this book brings together the key theory and practical implications of this new marketing tool, how it works as part of communications campaigns, including how to select the right influencers and measure their success, the dark side of influencer marketing, and the legal and ethical framework. Readers will gain a comprehensive understanding of influencer marketing from the perspectives of influencers, agencies, brands, and platforms. This 2nd edition has been fully updated to refresh and add content on agency recruitment, brand influencer partnerships, analysis of cultural differences, and cross-border promotions in China, Egypt, India, Nigeria, Pakistan, and South Africa; influencer crisis and care; emerging regulations; sharenting; de-influencing; virtual influencers; the impact of AI; and metrics and measurements for efficacy. It also delves into regulatory impacts on influencers, agencies, and brands. Interviews with influencers and agencies help the reader delve into lived experiences. Underpinned by academic theory, the book incorporates case studies, questions, platform considerations, and ethical implications to stimulate discussion amongst students and show how the theory is applied in practice. *Influencer Marketing* should be core and recommended reading for advanced undergraduate, postgraduate, and executive education students of Digital Marketing, Advertising, Marketing Communications, Brand Management, and Public Relations. With its accessible style and practical content, it is also highly valuable for Marketing Communications, Branding, and PR specialists. Online resources include PowerPoint slides, podcasts, an instructor manual, and test banks.

New Perspectives in Information Systems and Technologies, Volume 2 Álvaro Rocha, Ana Maria Correia, Felix . B. Tan, Karl . A. Stroetmann, 2014-03-19 This book contains a selection of articles from The 2014 World Conference on Information Systems and Technologies (WorldCIST 14) held between the 15th and 18th of April in Funchal, Madeira, Portugal, a global forum for researchers and practitioners to present and discuss recent results and innovations, current trends, professional experiences, and challenges of modern Information Systems and Technologies research, technological
