*Why Do They Make Things so Complicated?* Lisa Monika Anna Mützel,2017-05-05 In the past 50 years consumers buying situations have not

become easier Consumers remain easily overwrought by complex buying situations that involve buying complex products or services such as laptops or insurances In such situations consumers find it difficult to make a decision and must spend high levels of cognitive effort on it Prior consumer research has addressed the complexity of buying situations in several research streams such as in choice complexity or product complexity literature However previous researchers have not reached consensus on what constitutes the complexity of a buying situation Furthermore they have mostly concentrated on cognitive constructs and emotional constructs have been rather unexplored To close these research gaps this dissertation provides an in depth conceptualization of complex buying situations by developing a comprehensive reference framework Furthermore this dissertation differs from prior research by examining in detail negative emotional responses to complexity NERCO A reliable and valid NERCO scale is developed that consists of two factors emotional resignation and fear of post purchase dissonance An experiment investigates the influence of two input variables of the reference framework 1 the number of alternatives in the consumer s price class and 2 the perceived expertise of the salesperson who provides a recommendation in a buying situation on perceived choice complexity and on NERCO This dissertation paves the way for numerous directions for future research on the complexity of buying situations by providing theoretical fundamentals in the form of a detailed conceptualization and by precisely defining the research gaps

**Samsung Galaxy S6 Vs HTC One M9** Matthew Hollinder, 2015-05-07 The Samsung S6 is an Android smartphone that is manufactured by Samsung Electronics. It was the successor to the Samsung Galaxy S5 and was released in April of 2015. The S6 featured many similarities to the past S5 phone but it also featured some departures from design approaches and the integration of new technologies which made the phone robust and a leader in the smart phone space. The HTC One M9 is another great Android smartphone that is manufactured by HTC and was released in April 2015. This is a third generation smart phone that is intended to be the successor to the M8 that was released in 2014. The HTC One M9 is similar to its predecessor only in that the body is wider and somewhat thicker. They have also made it more advanced and ready to compete in the current smart phone space. This book is intended to look at the differences and compare the specifications of the Samsung Galaxy S6 and the HTC One M9.
