Sports and Labor in the United States Michael Schiavone,2015-06-16

Overview and analysis of labor relations in the big four American sports Are today s professional athletes nothing more than selfish greedy millionaires with no idea how ordinary people live The

common perception of today's professional baseball basketball football and hockey players is of individuals always wanting more money and better working conditions. When it comes to labor issues in sports the usual media spin portrays topics such as strikes by players and lockouts by owners as millionaires in dispute with billionaires each group as self interested as the other. However as is often the case the truth is vastly different. Sports and Labor in the United States demonstrates that players are often exploited by ownership and fight for matters of principle not simply material gain. In accessible nontechnical language Michael Schiavone presents a comprehensive examination of labor relations in American professional sports and how they have evolved over time. Separate chapters on MLB the NFL the NBA and the NHL provide an overview and analysis of each sport from their organized beginnings up to the present day. Like no other work before it Sports and Labor in the United States provides a comprehensive and detailed understanding of labor relations in American sports for scholars those interested in labor issues and sports fans. Two years later Casey loves baseball and everyone realizes it. He knows exactly what to do with that little plastic bat and ball his father so anxiously waited to get for him. Every night when Casey's father comes home from work it's Game Time. They play ball in the living room watch their favorite big league team on the big screen with surround sound for a better learning experience with a side order of Baseball Tonight on ESPN. Finally the two finish the night talking about baseball and dad hopefully believing that his little Casey will dream of making the big play or hitting the big home run. Casey at the plate right. Parents do you know what to do next?
