6 Essentials to Start & Succeed in Your Own Business Brian Tracy, 2023-02-28 The world that we live in today favors the person who organizes and operates a business and takes on greater than normal financial risks to do so That person is the entrepreneur The average worker holds ten different jobs before age forty and this number is projected

to grow If you're in your twenties and thirties you may forge a second or third career as an entrepreneur and if you're in your forties fifties or beyond you will decidedly favor the idea of starting and owning your own business In fact fifty two percent of all small businesses are home based and many of those are started and run by people in their mid career So whether you are early in your career or are in mid career whether you have ambitions to run a larger business or a very small business and whether you start a business because it's your desire or you're forced to by automation and layoffs entrepreneurship is more likely than ever to be a part of your future Let Brian Tracy one of the world's foremost authorities on the subject introduce you to 6 Essentials To Start Succeed in Your Own Business and expose you to the most innovative current and most importantly proven ideas on how to become successful Use your knowledge of The 6 Essentials to race ahead of the competition and take advantage of all of the modern options readily available to you and create a business that is successful and sustainable for the long term **Handbook of Chinese Management** Check-Teck Foo, 2023-08-01 This handbook explores the theme of managing inside China and consists of chapters that communicate the major managerial concepts within the context of Mainland China Its key emphasis is to clearly highlight the differences in the art of managing in China vs the West while acknowledging that these differences may be narrowing as a result of globalization Chapters in the book elaborate on how management is affected as China experiences rapid change while some aspects of Chinese culture remain unchanged and steeped in tradition The book goes further in exploring this complexity by juxtaposing China's orientation towards interpersonal relations or guanxi with the government's emphasis on law which is now becoming more rule based than before Business Management academics and practitioners will gain useful insight into Chinese management practices and their contrast to established Western ones when they use the Handbook of Chinese Management as a reference
