another fourteen years before he set foot in America The story of Asad Maryan and their family s escape from Dadaab refugee camp is one of perseverance in the face of overwhelming adversity It is also a story of happenstance of long odds and impossibly good luck and of uncommon generosity In a world where too many young men are forced to make dangerous sea crossings in search of work are recruited into extremist groups and die at the hands of brutal security forces Asad not only made it to the United States to join Maryan but won a scholarship to study literature at Princeton the first person born in Dadaab ever admitted to the prestigious university Beyond the Sand and Sea is an extraordinary and inspiring book for anyone searching for pinpricks of light in the darkness Meticulously reported over three years it reveals the strength of a family of Somali refugees who never lost faith in America and exposes the broken refugee resettlement system that kept that family trapped for more than two decades and has turned millions into permanent exiles
