*Obama's Legacy* Michael I. Days,2016-09-13 As President

Obama's time in the White House draws to a close this celebratory book documents his transformative accomplishments. Evidence indicates President Barack Obama has been tremendously successful and effective by objective measures. On economic indicators alone he is credited with the longest streak of job growth in U.S. history a two thirds reduction in the federal budget deficit and the rebounding of the stock market to record highs following the record lows of the recession under his predecessor. His victories have come against a backdrop of criticism and sometimes open defiance from conservatives lack of cooperation in Congress and racially tinged commentary in traditional and social media. Through it all the President who campaigned on a slogan of Yes We Can has persevered in his determination to make a difference and left an indelible mark on American politics and the world. Legacy is a commemoration of his eight years in the White House.
