Nursing OSCEs: A Complete Guide to Exam Success Catherine Caballero, Fiona Creed, Clare Gochmanski, Jane Lovegrove, 2012-01-12 In order to succeed in an Objective Structured Clinical Examination OSCE nursing students need to know not just what an OSCE involves but how to undertake the skill correctly at each OSCE station This book is a complete guide on how to prepare for an OSCE with step by step instructions for the ten most common OSCE stations that nursing students can face Specific stations range from aseptic non touch technique communication and observations to more highly

pressured skills such as medication administration resuscitation and assessing a deteriorating patient Nursing OSCEs a complete guide to exam success covers these skills and more in a clearly structured and concise way Each OSCE chapter outlines Key revision material enabling quick and complete revision Step by step instructions on how to perform the skill in an OSCE An example examiners marking sheet so students know the criteria they will be measured against Typical questions an examiner may ask and suggested answers Common errors to avoid and top tips for success With over 70 illustrations and videos of four OSCE stations it demonstrates how to pass key stations Bonus online material includes colour photographs and Powerpoints for revision at <http://www.oup.com/uk/orc/bin/9780199693580> This book is ideal for nursing students preparing for OSCE as well as for lecturers mentors and practising nurses involved in student education **The Easy Guide to**

OSCEs for Final Year Medical Students, 2007 *Ontario Electrical Code Simplified* Peter Slim Knight, 2009-07-15 This book is based on the 24th edition of the Ontario Electrical Safety Code and the Ontario Electrical Bulletins Straight talk on the rules Electrical Code Simplified books were written by an electrical inspector Reliability Electrical Code Simplified Books have been used for more than twenty years by more than a million installers Enjoyable Installing electrical wiring should be easy it should be fun and it should be a money saving experience Simplified Instructions With the detailed instructions and illustrations given in this book anyone handy with tools can undertake to install part or all the wiring in his or her own house Every step is clearly illustrated Proven Instructions With this book you will follow time proven instructions developed over many years by many electrical contractors You will produce a professional installation that you will be proud of Clarity these books speak clearly to the point The legalese used in the Code is replaced with easily understandable explanations Safety The Electrical Code is the minimum standard permitted for any electrical wiring installation This Code has been developed over many years by countless professional electricians who were concerned to make house wiring safe Code rules Instruction books which do not reference the appropriate Code standards can be misleading and dangerous Such instructions cannot be easily verified to insure they are in fact safe Electrical Code Simplified books do provide such Code rule references Every step is shown to be carefully planned and illustrated to insure your installation will be installed correctly Coverage This book begins with service size This is critical in wiring a new house and whenever any new load is being added to an existing service The book shows how to determine the size of service you will require for the total load From there it deals with each step as you install the new wiring Code rules are given so that every detail can be supported by the official safety rules A very important feature in this book is the large number of illustrations used to clarify detail Who needs this book Anyone installing electrical wiring in a residence is required to know the electrical Code rules to insure a safe installation If the installation will be inspected technically all installations of any size are required to be inspected it must pass or the installer may be asked to pay a penalty Often the penalty is at least three times the cost of this book If it will not be inspected then it is critical the installer has a copy of this book Safety in any electrical installation is the first point of concern Electrical Code

Simplified is the only book that can meet this tough standard. It is a fully proven product. For the Student A typical exam complete with answers is located at the end of the book. The student will find this an invaluable tool to determine where more training is needed. Find the answers. The index makes it easy to find the answers to technical questions usually encountered in residential installations.
