Eng,David Kazanjian,2003 If catastrophe is not representable according to the narrative explanations which would make sense of history then making sense of ourselves and charting the future are not impossible But we are as it were marked for life and that mark is insuperable irrecoverable It becomes the condition by which life is risked by which the question of whether one can move and with whom and in what way is framed and incited by the irreversibility of loss itself Judith Butler from the Afterword *Loss* is a wonderful volume powerful and important deeply moving and intellectually challenging at the same time ethical and not moralistic It is one of those rare collections that work as a multifaceted whole to map new areas for inquiry and pose new questions I found myself educated and provoked by the experience of participating in an ongoing dialogue Amy Kaplan author of *The Anarchy of Empire in the Making of U S Culture*      *Of One Blood* Pauline Hopkins,2019-09-02 2019 Reprint of Edition First Serialized in *Colored American Magazine* From November 1902 thru January 1903 Hopkins tells the story of Reuel Briggs a medical student who couldn t care less about being black and lacked appreciation for African history until he found himself in Ethiopia on an archeological trip His motive was to raid the country of lost treasures which he did find in the ancient land However he discovered much more than he bargained for the painful truth about blood race and the half of his history that was never told Hopkins wrote the novel intending in her own words to raise the stigma of degradation from the Black race The title *Of One Blood* refers to the

biological kinship of all human beings      Utopianism and Radicalism in a Reforming America Francis Robert Shor, 1997-08-30 Utopianism and radicalism achieve greater prominence when economic and social crises render the dominant moral and political universe open to question The essays in this book examine how utopianism and radicalism informed the literary expressions political discourse communal experiments and cultural projects in the U S from 1888 to 1918 In particular these essays track how socialism anarchism syndicalism feminism and black nationalism contested the ideological terrain during a period when reform ideas and movements were beginning to reshape that terrain The degree to which utopianism and radicalism were involved in that reformulation either in its expanse or its constraint is of prime interest throughout the book Teachers and students interested in utopian studies American studies and the cultural intellectual history of the Gilded Age and the Progressive Era will find this book highly useful      *American Literary Realism*, 2002      African American Review, 2008 As the official publication of the Division on Black American Literature and Culture of the Modern Language Association of America African American review promotes an exchange among writers and scholars in the arts humanities and social sciences who hold diverse perspectives of African American literature and culture      **The Greenwood Encyclopedia of African American Literature: U-Z** Hans A. Ostrom, J. David Macey, 2005 Designed to meet the needs of high school students undergraduates and general readers this encyclopedia is the most comprehensive reference available on African American literature from its origins to the present Other works include many brief entries or offer extended biographical sketches of a limited selection of writers This encyclopedia surpasses existing references by offering full and current coverage of a vast range of authors and topics While most of the entries are on individual authors the encyclopedia gathers together information about the genres and geographical and cultural environments in which these writers have worked and the social political and aesthetic movements in which they have participated Thus the encyclopedia gives special attention to the historical and cultural forces that have shaped African American writing Publisher      **Black Writers** Sharon Malinowski, 1994 This text presents comprehensive coverage of more than 400 of the most studied black authors from the Harlem Renaissance social and political activists and foreign black writers of interest to American Audiences      *Fingerprinting the Nation* Ellen Jean Samuels, 2006      *Ambiguous Bodies, Ambivalent Desires* Caroline Anne Streeter, 2000      The Heath Anthology of American Literature Paul Lauter, 1990      **Twentieth-century African-American Writers and Artists** Chester Hedgepeth, 1991 Biographical and critical information on contemporary African American artists Each entry includes birth and death dates education awards and affiliations      **The Public Life of Privacy in Nineteenth-Century American Literature** Stacey Margolis, 2005-05-13 Challenges the familiar way of reading a major strain of 19th century American literature Rather than seeing this strain as preoccupied with a subject's inner mental life it shows that subjects can only be understood and understand themselves through      Daughters of Africa Margaret Busby, 1994 A magnificent starting place for any reader interested in becoming part of the collective enterprise of
