When incorporated into daily life it will assist individuals as well as corporate clients to lead a happy fulfilled and ultimately blissful life. It looks at how our minds affect our outcomes in life and gives strategies to work this to our full advantage. The author has personal experience of debilitating stress related anxiety. These are her own self taught strategies to help live a more normal life. Some very simple techniques to learn to overcome challenges, issues and obstacles and lead a far happier and more positive life. A programme where you can pick up time and time and time again. It's about learning to love yourself, be grateful, live in the moment and visualise the life you want and so deserve to live.

968 Explicit Utterances to Envision, Plan for, and Enjoy the Best Retirement

Possible Nicholas Mag, The Miracle In this book Nicholas presents you a practical unique subliminal very simple detailed method of how to Envision Plan for and Enjoy the Best Retirement Possible. You will feel the effects immediately and the results will appear very quickly. So it was in my case. You will not achieve fulfillment and happiness until YOU become the architect of your own reality. Imagine that with a few moments each day you could begin the powerful transformation toward complete control of your own life and well being through this unique subliminal method combined with positive affirmations. The order of words is extremely important for every book written by Nicholas. These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being. Blockages that are bringing disease or failure on various plans. You don't need a big chunk of your time or expensive programs. Everything is extremely simple. Health, money, prosperity, abundance, safety, stability, sociability, charisma, sexual vitality, erotic attraction, will, optimism, perseverance, self confidence, tenacity, courage, love, loving relationships, self control, self esteem, enthusiasm, refinement, intuition, detachment, intelligence, mental calm, power of concentration, exceptional memory, aspiration, transcendence, wisdom, compassion. You have the ability to unlock your full inner potential and achieve your ultimate goals. This is the age old secret of the financial elite, world class scholars and Olympic champions. For example when you watch the Olympics you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms, visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of mind can elevate you above any of life's challenges. By reading this book you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill.
