Ziolkowski,2022-07-25 In this two part anthology Jan M Ziolkowski builds on themes uncovered in his earlier *The Juggler of Notre Dame* and the Medievalizing of Modernity Here he focuses particularly on the performing arts Part one contextualises Our Lady s Tumbler a French poem of the late 1230s by comparing it with episodes in the Bible and miracles in a wide variety of medieval European sources It relates this material to analogues and folklore across the ages from among others Persian Jewish and Hungarian cultures Part two scrutinizes the reception and impact of the poem with reference to modern European and American literature including works by the Nobel prize winner Anatole France professor poet Katharine Lee Bates philosopher historian Henry Adams and poet W H Auden This innovative collection of sources introduces readers to many previously untranslated texts and invites them to explore the journey of Our Lady s Tumbler across both sides of the Atlantic Reading the Juggler of Notre Dame Medieval Miracles and Modern Remakings will benefit scholars and students alike The short introductions and numerous annotations shed light on unusual beliefs and practices of the past making the readings accessible to anyone with an interest in the arts and an openness to the Middle Ages

**A Landscape with Dragons** Michael D. O'Brien,2011-05-24 The Harry Potter series of books and movies are wildly popular Many Christians see the books as largely if not entirely harmless Others regard them as dangerous and misleading In his book *A Landscape with Dragons* Harry Potter critic Michael O'Brien examines contemporary children s literature and finds it spiritually and morally wanting His analysis written before the rise of the popular Potter books and films anticipates many of the problems Harry Potter critics point to *A Landscape with Dragons* is a controversial yet thoughtful study of what

millions of young people are reading and the possible impact such reading may have on them In this study of the pagan invasion of children s culture O Brien the father of six describes his own coming to terms with the effect it has had on his family and on most families in Western society His analysis of the degeneration of books films and videos for the young is incisive and detailed Yet his approach is not simply critical for he suggests a number of remedies including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution In doing so he points the way to rediscovery of time tested sources and to new developments in Christian culture If you have ever wondered why a certain children s book or film made you feel uneasy but you couldn t figure out why this book is just what you need This completely revised much expanded second edition also includes a very substantial recommended reading list of over 1 000 books for kindergarten through highschool     *The Lives of Saints* Pedro de Ribadeneira,1730     'The everlasting gospel', as man's only but sure hope of escape from the 'everlasting destruction', in 4 discourses John Robert Echlin,1890     The Academy ,1892     **The Little Flowers of Saint Francis** Saint Francis (of Assisi),1898
