*Language, Migration and In/Exclusion in the Workplace* Jo Angouri, Julie Kerekes, Minna Suni, 2023-09-12 In today's globalised world large scale migration is the norm A contributing factor to the successful settlement of migrants is the ability to access work and economic security This book focuses on the lived experiences of migrants who try to access the workplace and explores the barriers and support they encounter The editors bring together studies which look at the ways in which inclusion and exclusion from the workplace are done linguistically from historical discourse analytical narrative and language assessment perspectives The chapters represent an innovative holistic intersectional and multidisciplinary approach to the subject and illustrate a wide range of analytical methods and theoretical tools for the study of multilingualism and professional identity The rich empirical data contained in the book cover a variety of professional contexts and countries and the book will appeal to both specialist and non specialist audiences

Language Testing, Migration and Citizenship Guus Extra, Massimiliano Spotti, Piet Van Avermaet, 2009-06-23 What is required to achieve civic integration and citizenship in nation states across the world Should language testing be a part of it This book addresses the urgent need to develop a fuller conceptual and theoretical basis for language testing than is currently available to enable widespread discussion of this theme and the concomitant linguistic and cultural requirements The policy proposals for civic integration have so far been conducted almost entirely at a national level and with little regard for the experiences of a countries with long traditions of migration such as the USA Canada the UK or Australia At the same time EU enlargement and the ongoing rise in the rate of migration into and across Europe suggest that these issues will continue to grow in importance This book raises the level of discussion to take account of international developments and to promote a more coherent and soundly based debate It will appeal to researchers and academics working in sociolinguistics and language education as well as those working on language policy
