State High School Exit Exams ,2006 What Teaching Teen Moms Taught Me Janice Airhart,2025-03-13 What s the secret to transforming the challenges of teaching teen moms into a rewarding classroom experience In What Teaching Teen Moms Taught Me author Janice Airhart embarks on a transformative journey of discovery at the age of 55 from a career in laboratory science to teaching science to pregnant and parenting teen girls in suburban Oklahoma Faced with students who are often sick exhausted or distracted she quickly realizes that teaching is more than delivering content as it requires humility creativity and responsiveness to unique needs With limited resources she integrates science standards with students interests and their babies needs finding joy in the challenge A DNA lab using Everclear highlights her innovative risky strategies The book captures the humour struggles and triumphs of an unconventional classroom Ideal for people in the field of education studies particularly those working with underserved or non traditional student populations like special education teacher school counsellor and professionals interested in alternative teaching methods **How to Leverage**

PLCs for School Improvement Sharon V. Kramer,2015-05-11 Spark a culture of success Building a professional learning community that fosters collaboration and collective responsibility can create lasting change and improve student learning schoolwide Investigate the five challenges to school improvement and uncover research based strategies to confront them Read a true account of a school that experienced reform reversed its culture of failure and reaped lasting results

Improving Test Scores in Five Easy Steps Gary W. Quinn,2010-01-16 The chapters in this book outline a plan that if followed will improve test scores in any school district The amount of improvement is determined by various variables including present level of achievement previous implementation of some of these concepts the level of implementation the vision from the top and the focus on the plan A school district must make a decision to create this plan and to make this plan their primary focus if it is to be successful in improving test scores If a school district does that the resulting test scores will steadily increase *Oklahoma School Testing Program, Item Specifications, End-of-instruction Algebra I.* Oklahoma.
