### Avoid Accidents

1. Most accidents, whether they occur in the air, in the water, on the farm, at home, on the highways, or in the city, are caused by someone's failure to follow the most fundamental safety rules or precautions.

For this reason most accidents can be prevented by recognizing the real cause and doing something about it before the accident occurs.

2. Regardless of the care used in the design and construction of any type of equipment, there are many conditions that cannot be completely ade-
