You Got An AirPods Pro! Now What?

Scott La Counte, 2019-11-04

In 2016 Apple released the Apple AirPods small wireless headsets that pop into your ear with no cords whatsoever The device was an instant hit A second generation was released in 2019 with a better battery life and a wireless case It wasn't until later in 2019 that things really started to change when Apple released the AirPods Pro The 2019 pro line featured noise cancelling sound and a transparent mode which helps you hear your surroundings They came at a premium price but have a premium listening experience When you put the Pros in you can hear the difference immediately

AirPods are simple to use but if they are new to you then they can still be a little confusing This guide will walk you through all the gestures how to pair them and charge them It also has an Apple Music guide so you know how to use Apple Music once you're ready to listen
