It's a Fabulous Life Kelly Farmer, 2023-10-17 Perfect for fans of Alison Cochrun and Ashley Herring Blake this sapphic retelling of *It's a Wonderful Life* will make the yuletide gay After years of putting aside her dreams of travel and adventure Bailey George is ready to leave Lanford Falls and her responsibilities behind on a long awaited vacation to New York City But when the volunteer who took over her leadership position for the town's Winter Wonderfest has a medical emergency Bailey finds herself stuck in Lanford Falls She gets roped into reassuming her old role not wanting to let the town or her friends and family down Staying home seems slightly less terrible when Bailey runs into her high school crush Maria Hatcher A kiss they shared years ago in the town's mistletoe grove was a life defining moment for them both Maria quickly offers to pitch in and help with Winter Wonderfest Her sunny disposition and holiday cheer perk up Bailey's grinchy feelings about everything However one disaster after another snowball on the day of the festival Bailey's frustration boils over and she ends up on the town's old wooden bridge There she meets fabulous drag queen Clara Angel Bailey declares that she wishes she hadn't been born in this Christmas obsessed suffocating small town With a little of the magic Clara possesses she shows Bailey how wrong she is about Lanford Falls and her place in it And that with a little hope and some true holiday spirit there is a way to attain all her dreams

If You Don't Like This, I Will Die Lee Tilghman, 2025-08-12 A powerful and illuminating memoir that exposes the stark and rarely seen reality of influencing as a career Lee Tilghman also known as LeeFromAmerica was one of the very first wellness influencers To her nearly 400 000 followers she shared daily updates and advice on everything from skincare and sleep hacks to smoothie bowls travel tips and workout routines She embodied SelfCare Her sponsorships with such brands as Madewell and Subaru netted an income of over 300 000 a year On the grid her life seemed perfect But behind her carefully curated posts Tilghman was in crisis suffocating from the unrelenting demand of keeping up her online facade Her friendships frayed from an inability to enjoy any activity even a simple dinner without taking hundreds of photos She found herself viewing everything she did as potential content for Instagram The more she shared the more her followers craved Her romantic relationships suffered from the pressure to hard launch Her job's focus on food led her to develop a severe fixation on healthy eating At her lowest point she looked around her apartment to realize every item she owned had been given to her by brands in exchange for posting After a stay in a mental health facility to address her disordered eating and psychological decline Tilghman quit influencing as her primary career and set out to discover who she really was *If You Don't Like This I Will Die* is a sharp self-aware look at life inside the influencer economy and a relatable story for anyone who has struggled with the unreasonableness of online expectations With over half of Gen Z aspiring to be influencers nearly three out of five
