Concert Tickets Usa Promo:

U2: Revolution Mat Snow, 2014-10-10 They've frequently been described as the biggest band in the world. The Joshua Tree alone has sold more than fifteen million copies worldwide. They hold the record for the most Grammy wins by a rock act. And their 360 tour which started in 2009 attracted more than seven million fans and is one of the highest grossing tours of all time. U2 has revolutionized the definition of rock band by staying true to its beliefs and passions through meteoric success, public controversy and an astounding forty year working relationship. Now for the first time get the complete photographic history of one of the world's most influential and legendary rock bands. Mat Snow's *U2 Revolution* is lushly illustrated with over two hundred photos and two gatefold timelines exploring the band's incredible history. Starting with their roots in Dublin where the four teenaged friends first started playing together in Larry Mullen's kitchen, Snow follows the band through their debut album *Boy*, their chart topping albums of the 1980s, their record breaking tours and global activism of the 1990s and their reflective reconnection with core fans in the twenty first century. Billboard, 1996-09-28 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. Billboard, 1987-12-26 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. *Promotional Feats* Eric J. Soares, 1991-08-30 In this volume, Eric Soares offers a lively and comprehensive treatment of promotional feats: publicity efforts that generate positive and extensive media exposure and thereby enhance sales. Arguing that promotional feats are one of the most powerful yet underused tools available to the marketing manager, Soares shows how they can have a dramatic impact on consumer behavior if they are developed and executed carefully. The types of feats described and illustrated include advertisements, sales promotions, publicity stunts, sales activities, displays or unusual product characteristics. The common denominator, Soares demonstrates, is that each feat must be newsworthy enough to cause media attention, which is then instrumental in affecting consumers' attitudes, intentions and buying behavior. Numerous examples of successful consumer based promotion activities are included. The book begins by examining historical feats of publicity and promotion undertaken by military strategists, adventurers and others. Soares explains how each incident was conceived and carried out and illuminates its applications to business. The bulk of the volume explores business promotional feats and their underlying market strategies. Separate chapters are devoted to media events, product features, outrageous advertisements, promotion gimmicks and company icons. The final chapter reviews the process of conceptualizing, designing and implementing a promotional feat. An indispensable resource for marketing and sales promotion managers, *Promotional Feats* will also be essential reading for anyone aspiring to a career in these fields.
