In fact, it's a great way to kickstart the metabolism and help you lose weight. How does that work though? Well, this book will highlight everything that you need to know about intermittent fasting at a beginner level so that you can get the most out of your intermittent fasting experience. It is a type of lifestyle eating that's a little different from the rest, but I'll explain to you why people do it and how to do it effectively and easily. The Law Times, 1875
